

Max Grip Sling, Black

[Shooting Accessories](#)

The Caldwell® Max Grip Sling's ergonomic shape is designed to spread the weight of the firearm for a comfortable carry. The over-molded design of the material grips your shoulder so the firearm stays put no matter how strenuous your hike is. The sling is completely sealed to be scent free and not take in any moisture as you hunt through all of the elements. If you want a sling that is going to stay put and be comfortable to carry all day, the Caldwell® Max grip is the sling for you!

Caldwell Max Grip Sling Safety Instructions

Introduction

Thank you for choosing the Caldwell® Max Grip Sling. This product is designed for comfortable carrying of firearms during outdoor activities. To ensure safe usage and maximize your experience, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure the firearm is unloaded before attaching or adjusting the sling.
- Use the sling only for its intended purpose – carrying firearms safely.
- Keep the sling out of reach of children and vulnerable individuals when not in use.
- Regularly inspect the sling for wear and tear. Do not use if damaged.
- Follow local laws and regulations regarding firearm transportation and usage.

Specific Safety Precautions for Use

- Ensure the sling is securely attached to the firearm before use.
- Adjust the sling to fit comfortably and securely on your shoulder.
- Avoid using the sling in wet or slippery conditions to prevent accidents.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- Do not overload the sling with additional equipment that may compromise its function.

Instructions for Installation and Usage

1. Installation:

- Identify the attachment points on your firearm.
- Slide the sling's hooks or connectors into the designated attachment points.
- Ensure that the sling is firmly attached and cannot be easily dislodged.

2. Adjustment:

- Adjust the length of the sling by pulling on the adjustment straps.
- Ensure the sling fits snugly against your shoulder without being too tight.

3. Usage:

- Position the firearm securely against your body using the sling.
- When walking, maintain a firm grip on the firearm while using the sling for support.
- If hiking or engaging in strenuous activities, periodically check the sling's attachment and the firearm's position.

Disposal Instructions

- Dispose of the Caldwell Max Grip Sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For safety inquiries or additional information regarding the Caldwell® Max Grip Sling, please refer to the manufacturer's contact details available on the product packaging or the official website.

By following these safety instructions, you can enjoy a safe and comfortable experience while using the Caldwell® Max Grip Sling. Always prioritize safety and stay informed about best practices for firearm handling and transportation.
