

# Super Mag Plus Recoil Shield (Ambidextrous)

## [Shooting Accessories](#)

The Magnum Recoil Shield is designed to provide unparalleled recoil protection while sighting in your rifle, benchrest shooting, or participating in many other shooting activities. The size and shape of the Magnum Recoil Shield creates the perfect combination of function and comfort. It can be worn on the left or right shoulder and attaches with an easily adjustable side closure for a secure fit. The leather on the front secures the gun in place, while the leather on the back of the shield provides a comfortable feel and prevents the shield from sliding around on your shoulder. The shield's 1/2" thick, energy-absorbing pad provides excellent protection for calibers up to 300 Winchester Magnum.

# Caldwell Super Mag Plus Recoil Shield Safety Instructions

## Introduction

Thank you for choosing the Caldwell Super Mag Plus Recoil Shield. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the recoil shield.

## General Safety Guidelines

- Ensure that the recoil shield is used only for its intended purpose.
- Always inspect the recoil shield for damage before each use. Do not use if there are any signs of wear or damage.
- Keep the recoil shield out of reach of children when not in use.
- Use the recoil shield in a safe environment, away from distractions and hazards.
- Familiarize yourself with the firearm you are using in conjunction with the recoil shield.
- Always follow standard firearm safety practices.

## Specific Safety Precautions for Use

- The recoil shield is designed for ambidextrous use; ensure it is properly adjusted for your shoulder.
- Make sure the leather front is securely positioned to hold the firearm in place.
- Avoid using the recoil shield with firearms that exceed the recommended caliber limit of 300 Winchester Magnum.
- Do not wear the recoil shield too loosely; ensure a snug fit to prevent slipping during use.
- If you experience any discomfort while using the recoil shield, discontinue use immediately.
- Always ensure that the firearm is unloaded when not in use, even when wearing the recoil shield.

## Instructions for Installation and Usage

### 1. Adjusting the Recoil Shield:

- Place the recoil shield on your shoulder, ensuring the leather front is facing outward.
- Use the adjustable side closure to secure the shield comfortably around your shoulder. Ensure it is snug but not overly tight.

### 2. Using the Recoil Shield:

- Position your firearm against the leather front of the recoil shield.
- Ensure that the firearm is securely held in place by the leather.
- Maintain a proper shooting stance and grip on the firearm.

### 3. PostUse Care:

- After use, carefully remove the recoil shield and inspect it for any damage or wear.
- Store the recoil shield in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of the recoil shield in accordance with local regulations.
- If the recoil shield is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the recoil shield in regular household waste if it contains nonbiodegradable materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Caldwell Super Mag Plus Recoil Shield, please refer to the manufacturer's contact details provided separately.

Thank you for your attention to these safety instructions. Your safety and enjoyment while using the Caldwell Super Mag Plus Recoil Shield are our top priorities.
