# ULFHEDNAR Suppressor Cover Safety Instruction Guide

## Introduction

Thank you for choosing the ULFHEDNAR Suppressor Cover. This guide provides essential safety instructions and information to ensure the safe use of the product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the suppressor cover is suitable for your sound muffler, particularly checking that the diameter does not exceed 60mm.
- Always inspect the suppressor cover for any signs of damage before use. A damaged cover may not provide adequate protection.
- Keep the suppressor cover out of reach of children and vulnerable individuals to prevent accidental use or injury.
- Do not use the suppressor cover if it is wet or contaminated with flammable substances.
- Report any unsafe product conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure the suppressor cover is securely attached before operating your vehicle to prevent it from detaching during use.
- Avoid prolonged exposure to extreme heat. The cover is designed to withstand high temperatures, but excessive heat can still cause damage.
- Do not use the suppressor cover as a heat shield for other components not designed for such use.
- If you notice any unusual smells, smoke, or changes in the cover's appearance during use, discontinue use immediately and inspect the product.

## Instructions for Installation and Usage

### 1. Installation:

- Clean the surface of the sound muffler to ensure a proper fit.
- Position the ULFHEDNAR Suppressor Cover over the sound muffler.
- Use the additional loops provided to secure the cover with heatresistant tape or other suitable fasteners.
- Ensure the cover fits snugly and does not obstruct any moving parts.

### 2. Usage:

- Once installed, the cover will help prevent heat distortion and protect the muffler from scratches and damage.
- Regularly check the attachment of the cover during use to ensure it remains secure.
- Remove the cover for maintenance or inspection of the muffler as needed.

## Disposal Instructions

- Dispose of the suppressor cover in accordance with local regulations for nonhazardous waste.
- Do not incinerate the suppressor cover as it may release harmful substances when burned.
- Consider recycling the materials if possible to reduce environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please reach out to your local ULFHEDNAR representative or consult the official website.

Thank you for prioritizing safety and enjoying your experience with the ULFHEDNAR Suppressor Cover.
