ULFHEDNAR Suppressor Cover Safety Instructions

Introduction

Thank you for choosing the ULFHEDNAR Suppressor Cover. This product is designed to enhance your shooting experience by covering the air flickering of the silencer and protecting it from damages and scratches. This safety instruction guide provides important information on how to use the suppressor cover safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the suppressor cover is compatible with your silencer's diameter, which should not exceed 60mm.
- Inspect the suppressor cover for any damages or defects before use.
- Keep the suppressor cover out of reach of children and vulnerable individuals.
- Do not use the suppressor cover if it shows signs of wear or damage.
- Follow all local laws and regulations regarding the use of suppressors.

Specific Safety Precautions for Use

- Ensure that the suppressor is cool before applying the cover to avoid burns.
- Do not rely solely on the suppressor cover for safety; always use appropriate safety gear when shooting.
- Avoid exposing the suppressor cover to extreme temperatures or open flames.
- Regularly check the cover for loose loops or attachments that may pose a hazard during use.
- If the cover becomes damaged during use, discontinue use immediately and replace it.

Instructions for Installation and Usage

1. Preparation:

- Ensure your suppressor is clean and free of debris.
- Allow the suppressor to cool if it has been recently used.

2. Fitting the Suppressor Cover:

- Align the cover with the suppressor, ensuring it is positioned correctly.
- Gently slide the cover over the suppressor until it fits snugly.
- Make sure the cover is not twisted or misaligned.

3. Securing the Cover:

- Use the additional loops provided on the cover to attach a flicker band if necessary.
- Ensure that any attachments are secure and do not interfere with the operation of the suppressor.

4. PostUse Care:

- After use, remove the suppressor cover and clean it according to the manufacturer's instructions.
- Store the cover in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the suppressor cover in accordance with local waste disposal regulations.
- If the cover is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the cover in fire or expose it to extreme heat.

Contact Information for Further Support

For any safety inquiries or additional support regarding the ULFHEDNAR Suppressor Cover, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ULFHEDNAR Suppressor Cover. Always prioritize safety and adhere to the guidelines outlined in this document.
