# ULFHEDNAR Suppressor Cover Safety Instructions

## Introduction

Thank you for choosing the ULFHEDNAR Suppressor Cover. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your product. Please read this document carefully to ensure safe and effective use.

## General Safety Guidelines

To ensure your safety and the longevity of the ULFHEDNAR Suppressor Cover, please adhere to the following guidelines:

- Always inspect the suppressor cover before use for any signs of wear or damage.
- Ensure that the cover is compatible with your sound muffler, particularly regarding diameter (up to 230mm).
- Use the cover only for its intended purpose as described in this manual.
- Keep the cover out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the suppressor cover to the appropriate authorities.
- Stay informed about product recalls or safety alerts by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the ULFHEDNAR Suppressor Cover, please follow these specific safety precautions:

- Avoid using the cover on excessively hot surfaces. Allow the sound muffler to cool before installation.
- Do not use the cover if it shows signs of damage, such as tears or fraying.
- Ensure that all loops and attachments are securely fastened before use.
- Do not attach heavy or sharp objects to the cover that could compromise its integrity.
- Regularly check for heat distortion or other signs of wear during use.

## Instructions for Installation and Usage

Follow these instructions to correctly install and use your ULFHEDNAR Suppressor Cover:

### 1. Preparation:

- Ensure that the sound muffler is clean and free of debris.
- Allow the muffler to cool down if it has been in use.

### 2. Installation:

- Position the cover over the sound muffler, ensuring that it fits snugly.
- Use the additional loops provided to secure the cover in place.
- If using heatresistant tape, attach it securely to prevent slippage during use.

### 3. Usage:

- Monitor the temperature of the muffler during use. If it becomes excessively hot, remove the cover until it cools down.
- Regularly inspect the cover for any signs of damage or wear during use.

### 4. Removal:

- Allow the sound muffler to cool before removing the cover.

- Carefully detach any loops or tape used for securing the cover.
- Store the cover in a cool, dry place when not in use.

## **Disposal Instructions**

When it comes time to dispose of your ULFHEDNAR Suppressor Cover, please follow these disposal guidelines:

- Check local regulations for proper disposal methods for composite materials.
- Do not dispose of the cover in regular household waste if it contains hazardous materials.
- Consider recycling the cover if possible, or consult local waste management for proper disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the ULFHEDNAR Suppressor Cover, please reach out to your retailer or check the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Enjoy the benefits of your ULFHEDNAR Suppressor Cover while ensuring your safety and the safety of others.
