ULFHEDNAR Shooting Jacket PRS Safety Instruction Guide

Introduction

Thank you for choosing the ULFHEDNAR Shooting Jacket PRS. This jacket is designed specifically for Precision Rifle Shooting (PRS) to provide comfort and support during your shooting activities. It is essential to follow the safety guidelines outlined in this manual to ensure safe and effective use of the jacket.

General Safety Guidelines

- Always inspect the jacket before use for any signs of damage or wear.
- Ensure that all adjustable straps are securely fastened and properly adjusted to fit your body.
- Use the jacket only for its intended purpose; do not use it for any other activities.
- Keep the jacket away from fire, sharp objects, and extreme weather conditions that could compromise its integrity.
- Store the jacket in a cool, dry place when not in use.
- Follow local laws and regulations regarding shooting and firearm safety.

Specific Safety Precautions for Use

- When wearing the jacket, ensure that it does not restrict your movement or visibility.
- Avoid overtightening the compression straps, as this may cause discomfort or restrict circulation.
- Be aware of your surroundings and ensure that you are in a safe location when using the jacket for shooting activities.
- If you experience any discomfort while wearing the jacket, remove it immediately and adjust as necessary.
- For children and vulnerable individuals, ensure adult supervision when using the jacket.

Instructions for Installation and Usage

1. Adjusting the Jacket:

- Put on the jacket and ensure it fits comfortably.
- Locate the compression straps and adjust them to fit your body snugly, but not too tight.
- Ensure that the jacket allows for a full range of motion in your arms and shoulders.

2. Using the Jacket During Shooting:

- Position yourself in your shooting stance and ensure the jacket supports your posture.
- Utilize the big pockets for storing essential items, but avoid overloading them to maintain balance and stability.
- If using the hood, ensure it does not obstruct your vision.

3. PostUse Care:

- After use, inspect the jacket for any damage or wear.
- Clean the jacket according to the manufacturer's instructions to maintain its quality.
- Store the jacket properly to prevent damage.

Disposal Instructions

- When disposing of the jacket, follow local regulations for textile disposal.
- If the jacket is damaged beyond repair, consider recycling options if available.
- Do not dispose of the jacket in regular household waste if it contains hazardous materials.
