ULFHEDNAR Shooting Jacket PRS Safety Instructions

Introduction

Thank you for choosing the ULFHEDNAR Shooting Jacket PRS. This jacket is designed specifically for Precision Rifle Shooting (PRS) and aims to provide comfort and support during your shooting activities. To ensure your safety and the safety of others, please read this guide carefully and follow all instructions.

General Safety Guidelines

- Always inspect the jacket before use for any signs of wear or damage.
- Ensure that all compression straps are secure and properly adjusted before use.
- Use the jacket only for its intended purpose as a shooting jacket.
- Keep the jacket away from fire and extreme heat sources to prevent damage.
- Store the jacket in a dry and cool place when not in use.
- If you notice any defects or issues with the jacket, cease use immediately and consult the manufacturer.

Specific Safety Precautions for Use

- The jacket is designed to support the shooter in various positions. Ensure that the jacket is properly fitted to your body to maximize support and comfort.
- Avoid overtightening the compression straps, as this may restrict movement or circulation.
- Be aware of your surroundings while wearing the jacket, especially in shooting ranges or outdoor settings.
- Ensure that the jacket does not obstruct your movement or visibility while aiming and shooting.
- If you are new to shooting, consider seeking guidance from an experienced shooter or instructor.

Instructions for Installation and Usage

1. Fitting the Jacket:

- Put on the jacket and ensure that it fits snugly but comfortably.
- Adjust the compression straps to achieve a secure fit without restricting movement.

2. Adjusting Compression Straps:

- Locate the compression straps on the jacket.
- Pull the straps to tighten and secure them in place.
- Make sure the jacket feels supportive but not overly tight.

3. Using the Pockets:

- The jacket features large pockets for storage. Use these pockets to carry necessary items while shooting.
- Ensure that items in the pockets do not hinder your movement or shooting posture.

4. Wearing the Hood:

- The jacket includes a hood for additional protection against the elements.
- Ensure the hood is adjusted properly to avoid obstructing your vision.

5. PostUse Care:

- After use, check the jacket for any damage or dirt.
- Clean the jacket according to the care instructions provided by the manufacturer.

Disposal Instructions

- When the jacket reaches the end of its usable life, dispose of it responsibly.
- Consider donating the jacket if it is still in good condition.
- If the jacket is damaged beyond repair, dispose of it in accordance with local waste disposal regulations.
