# ULFHEDNAR Shooting Jacket PRS Safety Instruction Guide

## Introduction

Thank you for choosing the ULFHEDNAR Shooting Jacket PRS. This jacket is designed specifically for Precision Rifle Shooting (PRS) enthusiasts. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the jacket is worn properly and adjusted to fit snugly to avoid any hazards during use.
- Always check the jacket for any signs of wear or damage before each use. If any damage is found, do not use the jacket.
- Be aware of your surroundings while shooting, and ensure that your shooting position is safe and secure.
- Follow all local laws and regulations regarding shooting activities and equipment.
- Keep the jacket away from sharp objects and extreme heat sources to prevent damage.

## Specific Safety Precautions for Use

- **Adjusting the Jacket:** Use the compression straps to adjust the fit of the jacket. Ensure that it is snug but not overly tight, allowing for freedom of movement.
- **Using the Hood:** When using the hood, ensure it does not obstruct your vision. Adjust it as necessary to maintain a clear line of sight.
- **Pockets:** Utilize the large pockets for storing essential items, but avoid overloading them to maintain balance and comfort while shooting.
- **Kevlar Trimmings:** The Kevlar trimmings provide additional protection. Ensure they are intact and not frayed before use.
- **Weather Conditions:** Be cautious when using the jacket in inclement weather. While the jacket is designed for tactical use, ensure that you are prepared for changing conditions.

## Instructions for Installation and Usage

### 1. Fitting the Jacket:

- Put on the jacket and adjust the compression straps to achieve a snug fit.
- Ensure that all straps are securely fastened.

### 2. Using the Jacket:

- Before shooting, check that the jacket does not hinder your movement or visibility.
- Adjust the hood as needed for comfort and visibility.
- Store items in the pockets, ensuring they are secure and do not interfere with your shooting position.

### 3. PostUse Care:

- After use, inspect the jacket for any damage or wear.
- Clean the jacket according to the care instructions provided by the manufacturer.

## **Disposal Instructions**

- When the jacket reaches the end of its life cycle, dispose of it responsibly.
- If the jacket is damaged or no longer usable, consider recycling materials where possible.
- Follow local regulations for the disposal of textile products.
