

Multipurpose Support Pillow out of Cordura

[Home](#)

Shooting pillow from Ulfhednar in classic „gamechanger“ design

The mutlipurpose support pillow from Ulfhednar is a versatile usable shooting pillow. Especially on barricades it can utilize it's advantages, because of it's unique shape.

Thanks to the robust Cordura fabric and the anti-slip coating on the upperside, it is suitable for every extreme situation and is a reliable companion on long range competitions.

A zipper on the side of the pillow allows you to add or remove filling material. This way you can change it up to your own nees.

Safety Instruction Guide for ULFHEDNAR Multipurpose Support Pillow

Introduction

Thank you for choosing the ULFHEDNAR Multipurpose Support Pillow. This guide provides important safety information to ensure your safe and effective use of the product. Please read this guide carefully before using the pillow.

General Safety Guidelines

- Ensure that the pillow is used only for its intended purpose as a shooting support.
- Regularly inspect the pillow for any signs of wear or damage before each use.
- Avoid using the pillow if it shows any signs of damage, such as tears or compromised seams.
- Keep the pillow out of reach of children and vulnerable individuals when not in use.
- Store the pillow in a dry place to prevent mold or mildew.

Specific Safety Precautions for Use

- Do not exceed the recommended filling level when adding or removing material through the zipper.
- Ensure that the antislip coating is clean and free from debris before use to maintain stability.
- When using the pillow on barricades, ensure it is securely positioned to avoid slipping.
- Be cautious of your environment when using the pillow in extreme weather conditions.
- Use the pillow only on stable surfaces to prevent accidents.

Instructions for Installation and Usage

1. Filling Adjustment:

- Locate the zipper on the side of the pillow.
- Open the zipper carefully to add or remove filling material as needed.
- Close the zipper securely after adjusting the filling.

2. Using the Pillow:

- Position the pillow on a stable surface or barricade.
- Ensure the antislip side is facing down for maximum stability.
- Adjust your shooting position to utilize the pillow effectively.

3. Cleaning and Maintenance:

- Wipe the surface of the pillow with a damp cloth to clean.
- Do not use harsh chemicals or abrasive materials when cleaning.
- Allow the pillow to dry completely before storing.

Disposal Instructions

- Dispose of the pillow in accordance with local regulations.
- If the pillow is damaged beyond repair, ensure it is disposed of in a way that prevents any risk of injury to others.
- Consider recycling materials where possible.
