ULFHEDNAR Multipurpose Support Pillow Safety Instructions

Introduction

Thank you for choosing the ULFHEDNAR Multipurpose Support Pillow. This product is designed to provide comfort and support during shooting activities. To ensure safe usage and maximize the benefits of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the pillow is used only for its intended purpose as a shooting support.
- Always inspect the pillow for any signs of damage or wear before each use. Do not use if damaged.
- Keep the pillow away from open flames or extreme heat sources.
- Store the pillow in a dry and cool place when not in use.
- Be aware of your surroundings when using the pillow, especially in outdoor settings.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for filling the pillow. Overfilling may cause damage or affect stability.
- Ensure the antislip coating is clean and free from debris before use to maintain stability.
- Use the pillow on a stable surface to avoid accidents during shooting activities.
- Always supervise children or inexperienced users when using the pillow.
- Avoid using the pillow in adverse weather conditions, such as heavy rain or strong winds.

Instructions for Installation and Usage

1. Filling the Pillow:

- Locate the zipper on the side of the pillow.
- Open the zipper carefully.
- Add or remove filling material to achieve your desired comfort level.
- Close the zipper securely before use to prevent any filling from escaping.

2. Using the Pillow:

- Position the pillow on a stable surface or barricade.
- Ensure the antislip side is facing down to prevent slipping.
- Adjust your shooting position for optimal support from the pillow.
- After use, remove any dirt or debris from the pillow to maintain its quality.

Disposal Instructions

- Dispose of the pillow in accordance with local waste management regulations.
- If the pillow is damaged beyond repair, consider recycling the materials if possible.
