ULFHEDNAR Extra Bullet Holders with Velcro

Safety Instructions

Introduction

Thank you for choosing the ULFHEDNAR Extra Bullet Holders with Velcro. This product is designed to provide convenient access to additional rounds of ammunition while ensuring safety during use. Please read this safety instruction guide carefully to ensure safe handling and installation of your bullet holder.

General Safety Guidelines

- Ensure the product is used only as intended, with compatible firearms.
- Regularly inspect the bullet holder for wear or damage before each use.
- Store the bullet holder and ammunition in a secure location, out of reach of children.
- Avoid exposing the bullet holder to extreme temperatures or moisture.
- Always follow local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- **Handling Ammunition:**
 - Always treat all ammunition as if it is live.
 - Keep fingers away from the trigger until ready to shoot.
- **Installation Precautions:**
 - Ensure the firearm is unloaded before attaching the bullet holder.
 - Use only the provided Velcro strips for installation to ensure secure attachment.
- **Use with Firearms:**
 - Ensure that the bullet holder does not obstruct any safety features of the firearm.
 - Do not use the bullet holder in a manner that could cause it to detach during use.
- **Children and Vulnerable Groups:**
 - This product is not intended for use by individuals under the age of 18.
 - Always supervise young users when handling firearms and ammunition.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all components: bullet holder and Velcro strips.
- Clean the surface of your firearm where the Velcro will be applied.

2. Applying Velcro:

- Cut the Velcro strips to the desired length if necessary.
- Peel off the adhesive backing from the Velcro strips.
- Firmly press the Velcro strips onto the designated area of the firearm, ensuring a secure bond.

3. Attaching the Bullet Holder:

- Align the bullet holder with the attached Velcro strips.
- Press the bullet holder onto the Velcro strips until it is securely attached.

4. Loading Ammunition:

- Place the additional rounds of ammunition into the bullet holder.
- Ensure that the ammunition is seated securely in the holder.

5. Checking Security:

- Before use, gently tug on the bullet holder to ensure it is firmly attached to the Velcro.
- If it feels loose, reapply the Velcro or reposition as necessary.

Disposal Instructions

- Dispose of the bullet holder in accordance with local regulations.
- If the bullet holder is damaged or no longer needed, consider recycling materials where possible.
- Do not dispose of the bullet holder or ammunition in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of the ULFHEDNAR Extra Bullet Holders with Velcro, please consult the manufacturer's website or contact your retailer for assistance.

Note: Always stay informed about product recalls and safety alerts. You can check the EU's Safety Gate platform for updates on unsafe products.
