VORTEX OPTICS Crossfire II 39x50 BDC Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Crossfire II 39x50 BDC. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your riflescope. It is important to follow these instructions carefully to avoid potential hazards and ensure optimal performance.

General Safety Guidelines

- Always ensure that the riflescope is used in accordance with all local laws and regulations regarding firearms and hunting.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Store the riflescope in a cool, dry place when not in use.
- Be aware of your surroundings and ensure that you have a clear line of sight before using the riflescope.
- Report any unsafe conditions or incidents related to the use of this product to the appropriate authorities.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this riflescope.
- **Mounting:** Ensure that the riflescope is securely mounted to the firearm according to the manufacturer's instructions to prevent it from coming loose during use.
- **Adjustment:** Make all adjustments to the riflescope (such as windage and elevation) with the firearm pointed in a safe direction.
- **Parallax Settings:** Adjust the parallax setting to match your shooting distance to ensure accuracy and avoid eye strain.
- **Cleaning:** Use only approved cleaning materials and methods to clean the lenses and body of the riflescope. Avoid using harsh chemicals.

Instructions for Installation and Usage

1. Installation:

- Select a suitable mounting base compatible with your firearm.
- Securely attach the riflescope to the mounting base using the provided rings and screws.
- Ensure that the riflescope is level and aligned with the bore of the firearm.

2. Usage:

- To adjust magnification, rotate the magnification ring until the desired level is reached.
- To focus the eyepiece, look through the riflescope and turn the eyepiece until the reticle appears sharp and clear.
- Use the MOA turrets to make adjustments for windage and elevation. Click adjustments are typically 1/4 MOA.
- Always check the zero of the riflescope before heading out to ensure accuracy.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations regarding electronic waste and nonbiodegradable materials.

- Do not dispose of the riflescope in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding safety or performance, please reach out to the manufacturer or an authorized dealer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Crossfire II 39x50 BDC. Always prioritize safety and responsible usage.
