

Fury 10x42 Bino LRF Gen II

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binoculars](#)

The Vortex Fury HD 5000 rangefinding binoculars make glassing and ranging ultra-fast and efficient. Right-side button controls make one-handed manipulation of both functions quick and easy, cutting down on set up time in the field.

The Vortex rangefinding binoculars are capable of ranging non-reflective targets out to 1,600 yards, and reflective targets to 5,000 yards.

The Fury HD 5000 binoculars join all other Vortex products in that they are completely covered by the Vortex VIP Warranty, and that includes electronic components.

Vortex Optics Fury 10x42 Binoculars LRF Gen II

Safety Instructions

Introduction

Thank you for choosing the Vortex Optics Fury 10x42 Binoculars LRF Gen II. This product is designed to provide superior optical performance and rangefinding capabilities. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the binoculars in accordance with the manufacturer's instructions.
- Keep the binoculars out of reach of children and pets to prevent accidents.
- Inspect the binoculars regularly for any signs of damage. Do not use if damaged.
- Avoid exposing the binoculars to extreme temperatures or moisture to maintain their performance.
- Report any unsafe product conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not look directly at the sun through the binoculars, as this may cause permanent eye damage.
- Use the binoculars only for their intended purpose—observing distant objects and rangefinding.
- Ensure that the binoculars are securely held when in use to prevent dropping and potential injury.
- Be cautious when using the rangefinding feature, especially in crowded areas or near wildlife.
- If using the binoculars for extended periods, take regular breaks to avoid eye strain.

Instructions for Installation and Usage

1. Unpacking the Binoculars

- Carefully remove the binoculars from the packaging.
- Check for all included accessories: lens caps, strap, and battery.

2. Inserting the Battery

- Open the battery compartment located on the side of the binoculars.
- Insert a CR2 battery, ensuring the positive (+) and negative (-) terminals are oriented correctly.
- Close the battery compartment securely.

3. Adjusting the Binoculars

- Adjust the eyecups by twisting them up or down to suit your comfort.
- Use the center focus wheel to achieve a clear image. Focus on a distant object and adjust until sharp.

4. Using the Rangefinder

- Aim the binoculars at the target you wish to measure.
- Press the rightside button to activate the rangefinding feature.
- The distance will be displayed in yards. Ensure the target is stable for accurate readings.

5. Storing the Binoculars

- When not in use, store the binoculars in a cool, dry place.
- Use the provided lens caps to protect the lenses from dust and scratches.

Disposal Instructions

- Dispose of the binoculars and any electronic components in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Follow local guidelines for battery recycling.

Contact Information for Further Support

For any questions regarding the product or safety inquiries, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for your attention to these safety instructions. Enjoy using your Vortex Optics Fury 10x42 Binoculars LRF Gen II responsibly and safely.
