

Binocular Accessoires - VORTEX OPTICS GlassPak Binocular Harness

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binocular Accessories](#)

Housing your binoculars and protecting them from the elements while keeping them close at hand is imperative when in the field. The Vortex GlassPak binocular harness will do just that. It accommodates a range of full-size binoculars, keeping them snug and secure. The mesh side pockets hold calls, a lens pen, and other small items needing quick access. Tethers attach to your binocular preventing accidental drops and the rear zippered pocket holds larger items such as a cell phone.

This pack weighs 8 oz and measures 6.75x6.25x3.75 inches.

- Fully adjustable straps for a comfortable fit
- Bungee and nylon tab secure the full coverage lid
- Extra storage space: Two mesh side pockets and zippered back pocket
- Includes harness strap, binocular case, and two bino tether straps

VORTEX OPTICS GlassPak Binocular Harness

Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS GlassPak Binocular Harness. This guide provides essential safety instructions to ensure the safe use and maintenance of your binocular harness. Please read this guide carefully before using the product to maximize safety and performance.

General Safety Guidelines

- **Product Safety:** Ensure that the harness is used only for its intended purpose of carrying binoculars. Avoid using it in ways that may cause harm or damage.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice regarding this product, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that you are buying from authorized retailers to guarantee product safety and compliance with EU regulations.
- **Special Consumer Focus:** Keep this product out of reach of children. The harness is designed for adult use and may pose risks if misused by younger individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the provided contact information for your local EU representative.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended weight limit of the harness. Overloading may cause strain and lead to accidental drops.
- **Secure Fit:** Ensure that the straps are properly adjusted to fit snugly but comfortably. Loose straps can lead to instability and potential accidents.
- **Inspect Before Use:** Always inspect the harness for any signs of wear or damage before use. If any damage is found, do not use the harness and contact support for assistance.
- **Use Tethers:** Always use the tethers provided to secure your binoculars to the harness to prevent accidental drops.
- **Avoid Extreme Conditions:** Do not expose the harness to extreme temperatures or wet conditions for prolonged periods, as this may affect its durability and effectiveness.

Instructions for Installation and Usage

1. Adjusting the Straps:

- Locate the adjustable straps on the harness.
- Pull the straps to tighten or loosen them as needed for a comfortable fit.
- Ensure the harness is snug against your body to prevent movement during use.

2. Attaching Binoculars:

- Use the provided tethers to attach your binoculars securely to the harness.
- Ensure that the tethers are firmly fastened to avoid accidental drops.

3. Storing Items:

- Utilize the mesh side pockets for small items such as calls or lens pens.
- Use the rear zippered pocket for larger items like cell phones.

4. **Wearing the Harness:**

- Place the harness over your shoulders, ensuring that it is evenly distributed across your back.
- Adjust the straps as necessary to ensure comfort and stability.

5. **Removing the Harness:**

- To remove the harness, simply unbuckle the straps and lift it off your shoulders.
- Store the harness in a dry place when not in use.

Disposal Instructions

- **Recycling:** Dispose of the harness according to local recycling guidelines. Check with local authorities for specific disposal methods for textile products.
- **NonRecyclable Components:** If any parts of the harness cannot be recycled, ensure they are disposed of in accordance with local waste management regulations.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the contact information provided by your retailer or the manufacturer. Ensure you have your product details ready for a quicker response.

Thank you for choosing VORTEX OPTICS. Your safety and satisfaction are our top priorities. Enjoy your outdoor adventures with confidence!
