# VORTEX OPTICS Archer's Strap Safety Instructions

## Introduction

Thank you for choosing the VORTEX OPTICS Archer's Strap. This product is designed to securely hold your binoculars at your side, ensuring they are easily accessible while keeping them safe from harm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the Archer's Strap is used only for its intended purpose: to support binoculars.
- Regularly inspect the strap for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Keep the strap away from sharp objects and extreme temperatures to maintain its integrity.
- Store the strap in a dry, cool place when not in use.
- Always ensure that the binoculars are securely attached to the strap before use.

## Specific Safety Precautions for Use

- Avoid using the strap in situations where it may get caught or snagged on objects, as this could cause injury or damage to the binoculars.
- Do not overload the strap with binoculars that exceed the recommended weight limit. Refer to the product specifications for weight guidelines.
- Be cautious when using binoculars in crowded or busy areas to prevent accidents or injuries.
- If using the strap with children, ensure they are supervised at all times to prevent misuse or accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the attachment points on your binoculars.
- Thread the strap through the attachment points securely.
- Adjust the length of the strap to ensure a comfortable fit around your body.
- Make sure the strap is fastened securely before use.

### 2. Usage:

- When using the binoculars, ensure they are held securely while attached to the strap.
- Avoid sudden movements that could cause the binoculars to swing or become dislodged from the strap.
- When not in use, allow the binoculars to rest against your body or secure them in a safe position.

## Disposal Instructions

- Dispose of the Archer's Strap in accordance with local regulations for textile waste.
- If the strap is damaged beyond repair, consider recycling it if possible.
- Do not dispose of the strap in regular household waste if it can be recycled or repurposed.

## Contact Information for Further Support

For any queries or concerns regarding the VORTEX OPTICS Archer's Strap, please refer to the manufacturer's

website or contact the retailer from whom you purchased the product. Ensure to have your purchase details available for reference.

By following these safety instructions, you can ensure safe usage of the VORTEX OPTICS Archer's Strap and enjoy your binoculars with peace of mind. Thank you for your attention to safety!
