## Safety Instruction Guide

### Introduction

Thank you for choosing the Vortex Optics Weight Reducing Comfort Strap. This product is designed to enhance your experience with binoculars by providing optimal weight balance and extraordinary comfort. Please read this safety instruction guide carefully to ensure safe usage and proper maintenance.

### General Safety Guidelines

- Always inspect the strap for signs of wear or damage before use.
- Ensure that the strap is securely attached to your binoculars before use to prevent accidents.
- Avoid using the strap in extreme weather conditions that may affect its performance.
- Keep the strap away from sharp objects that could cause it to tear or fray.
- Do not use the strap for purposes other than intended, as this may lead to injury or damage.

### Specific Safety Precautions for Use

- For users under the age of 18, adult supervision is recommended during use.
- If you have any preexisting conditions that may be aggravated by carrying binoculars, consult with a healthcare professional before use.
- Be cautious of your surroundings while using the strap, especially in crowded or uneven environments to prevent tripping or falling.
- If you notice any discomfort while using the strap, discontinue use immediately and adjust or remove it as needed.

### Instructions for Installation and Usage

#### 1. Installation:

- Locate the attachment points on your binoculars.
- Slide the strap ends through the attachment points until they are securely fastened.
- Adjust the length of the strap to fit comfortably around your neck or shoulder.

#### 2. Usage:

- When wearing the strap, ensure that it sits comfortably without being too tight or too loose.
- If using with heavy binoculars, periodically check the strap for any signs of strain or wear.
- To remove the strap, simply slide the ends out of the attachment points and store it in a safe place.

### Disposal Instructions

- Dispose of the strap in accordance with local waste disposal regulations.
- If the strap is damaged beyond repair, consider recycling materials if possible.
- Do not dispose of the strap in regular household waste if it is still usable; consider donating it to a local organization.

### Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the appropriate contact point as

indicated on the product packaging or your purchase receipt.
