

Strap connector for Harness Strap - SET

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binocular Accessories](#)

Vortex Binocular Harness Strap Connectors are a highly useful accessory if you're planning on using a harness with your binoculars. Though several types of Vortex binoculars come packaged with a neck strap or carrying case, sometimes you need a full harness to create a stable carrying solution for your binoculars, especially when you're in a demanding wilderness environment. With these Vortex binocular accessories, you can attach almost any pair of binoculars to the strap of a harness assembly. The Vortex Binocular Harness Strap Adapter Accessory will allow you to quickly attach and detach your binoculars from a harness, adding versatility and improving transportation of your binoculars.

VORTEX OPTICS Strap Connector for Harness Strap SET Safety Instruction Guide

Introduction

Thank you for choosing the Vortex Binocular Harness Strap Connectors. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the connectors with your binoculars.

General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is to attach binoculars to a harness strap.
- Regularly inspect the connectors for any signs of wear or damage before each use.
- Do not exceed the weight limit of your binoculars when using the connectors.
- Keep the connectors out of reach of children and pets to prevent accidental use or injury.
- If you notice any malfunction or damage, discontinue use immediately and contact the manufacturer for assistance.

Specific Safety Precautions for Use

- Always ensure that the connectors are securely attached to both the binoculars and the harness strap before use.
- Avoid using the connectors in extreme weather conditions that may affect their performance, such as heavy rain or extreme heat.
- Do not modify or alter the connectors in any way, as this may compromise their safety and functionality.
- If using the connectors while engaging in activities such as hiking or climbing, ensure that they are properly secured to prevent accidental detachment.

Instructions for Installation and Usage

1. Attaching the Connectors:

- Locate the attachment points on your binoculars.
- Align the connectors with the attachment points and press firmly until you hear a click, indicating a secure fit.
- Ensure that the connectors are not loose by gently tugging on them.

2. Connecting to the Harness Strap:

- Take the harness strap and locate the designated attachment points.
- Slide the connectors onto the harness strap until they are fully seated.
- Adjust the strap length as necessary for comfort and fit.

3. Detaching the Connectors:

- To detach the binoculars from the harness, press the release mechanism on the connectors.
- Carefully pull the binoculars away from the harness strap while ensuring that the connectors are not damaged.

4. Storage:

- When not in use, store the connectors in a dry and cool place, away from direct sunlight and moisture.

- Avoid storing heavy items on top of the connectors to prevent deformation.

Disposal Instructions

- Dispose of the connectors in accordance with local regulations regarding plastic waste and electronic products.
- Do not dispose of the connectors in regular household trash. Instead, seek out a recycling facility that accepts such materials.

Contact Information for Further Support

For any questions or concerns regarding the Vortex Binocular Harness Strap Connectors, please reach out to the manufacturer directly. Ensure you have your product information ready for reference.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your Vortex Binocular Harness Strap Connectors.
