VORTEX OPTICS Tethered Cap Set 42mm Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Tethered Cap Set 42mm. This product is designed to provide additional protection for the lenses of your Vortex Diamondback and Crossfire binoculars. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the tethered caps for any signs of damage or wear before use.
- Ensure that the caps fit securely on the lenses to prevent accidental loss or damage.
- Keep the product out of reach of small children to avoid choking hazards.
- Do not use the tethered caps for any purpose other than their intended use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Handle the tethered caps gently to avoid breaking or damaging them.
- Avoid exposing the caps to extreme temperatures or harsh chemicals, as this may affect their integrity.
- Ensure that the caps are properly attached to the lenses before storing the binoculars to prevent dirt or debris from getting inside.
- Regularly clean the caps with a soft, dry cloth to maintain visibility and performance.

Instructions for Installation and Usage

1. Installation:

- Remove any existing lens caps from your Vortex Diamondback or Crossfire binoculars.
- Align the tethered caps with the objective lenses.
- Press down firmly until you hear a click, indicating that the caps are securely attached.

2. Usage:

- To use the binoculars, simply pull the tethered caps away from the lenses.
- Ensure that the caps are fully retracted and not obstructing your view when using the binoculars.
- After use, reattach the caps to protect the lenses from dust and scratches.

Disposal Instructions

- Dispose of the tethered caps in accordance with local waste disposal regulations.
- If the product is damaged beyond use, please ensure that it is disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Tethered Cap Set 42mm, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety guidelines. Enjoy the enhanced protection and usability of your VORTEX OPTICS Tethered Cap Set!
