VORTEX OPTICS Set 2 Tethered Caps DBK Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Set 2 Tethered Caps DBK. This guide provides important safety instructions and guidelines to ensure the proper use and maintenance of your product. Please read this document carefully to understand how to use the tethered caps safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents or misuse.
- Regularly inspect the tethered caps for any signs of wear or damage. Do not use if damaged.
- Follow all local regulations regarding the disposal of the product and its components.

Specific Safety Precautions for Use

- Avoid exposing the caps to extreme temperatures or harsh environmental conditions, as this may compromise their integrity.
- Do not attempt to modify or repair the tethered caps. If they become damaged, replace them with a new set.
- Ensure that the caps are securely attached to the binoculars when in use to prevent loss or damage.
- Be cautious when handling the caps to avoid pinching fingers or causing injury.

Instructions for Installation and Usage

1. Installation of Tethered Caps:

- Locate the objective lenses of your Vortex Diamondback binoculars.
- Align the tethered caps with the lenses.
- Gently press the caps onto the lenses until they fit snugly. Ensure that the tether is properly attached to the binoculars.

2. Usage:

- When using the binoculars, remove the tethered caps by pulling them away from the lenses.
- After use, replace the caps back onto the lenses to protect them from dust, scratches, and moisture.
- Ensure that the tether does not obstruct the view when using the binoculars.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in household waste. Check for recycling options or designated disposal sites for optical accessories.

Contact Information for Further Support

For any safety inquiries or additional support regarding the VORTEX OPTICS Set 2 Tethered Caps DBK, please reach out to the designated EU contact point provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your VORTEX OPTICS Set 2 Tethered Caps DBK. Always prioritize safety and proper handling to extend the life of your product. Thank you for your attention to these important guidelines.
