VORTEX OPTICS Tethered Caps Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS tethered caps set for your Raptor or Kingbird binoculars. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read through this document carefully to familiarize yourself with the safety measures and proper usage of the tethered caps.

General Safety Guidelines

- Ensure that the tethered caps are used only with Vortex Raptor or Kingbird binoculars.
- Regularly inspect the caps for any signs of wear or damage.
- Keep the caps out of reach of children to prevent choking hazards.
- Do not use the caps for any purpose other than intended lens protection.
- If you notice any unusual behavior or damage, discontinue use and contact the manufacturer.

Specific Safety Precautions for Use

- Avoid exposing the tethered caps to extreme temperatures or direct sunlight for prolonged periods.
- Do not attempt to modify or alter the tethered caps in any way.
- Ensure that the caps are securely attached to the binoculars before use to prevent loss.
- Be cautious when removing or replacing the caps to avoid dropping them.

Instructions for Installation and Usage

1. Installation:

- Align the tethered caps with the objective lenses of the binoculars.
- Gently press the caps onto the lenses until they are securely fitted.
- Ensure that the tethers are properly attached to avoid accidental detachment.

2. Usage:

- When using the binoculars, remove the tethered caps by gently pulling them away from the lenses.
- Store the caps in a safe location when not in use to prevent damage or loss.
- After use, reattach the caps to protect the lenses from dust and scratches.

Disposal Instructions

- Dispose of the tethered caps in accordance with local waste disposal regulations.
- Do not dispose of the caps in household waste if they are damaged or broken; instead, follow local guidelines for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS tethered caps, please refer to the manufacturer's contact information provided with your product. It is important to reach out for assistance if you encounter any issues or need further clarification on safety practices.

Thank you for taking the time to review this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your VORTEX OPTICS products responsibly!
