VORTEX OPTICS Tethered Caps Safety Instructions

Introduction

Thank you for choosing the Vortex Optics Tethered Caps. This product is designed to protect the objective lenses of your Vortex Razor binoculars. Please read this safety instruction guide carefully to ensure safe and proper use of the tethered caps.

General Safety Guidelines

To ensure your safety and the longevity of your product, please follow these guidelines:

- Always inspect the tethered caps before use to ensure they are in good condition.
- Keep the product out of reach of children to prevent accidental swallowing or choking.
- Use the tethered caps only for their intended purpose, which is to protect the lenses of Vortex Razor binoculars.
- Do not use the caps if they show signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the Vortex Optics Tethered Caps, please observe the following precautions:

- Ensure that the caps are securely attached to the binoculars' lenses before use.
- Avoid exposing the caps to extreme temperatures or harsh environmental conditions.
- Do not attempt to modify or alter the tethered caps in any way.
- If the tether becomes frayed or damaged, discontinue use immediately and replace the caps.

Instructions for Installation and Usage

Follow these steps to properly install and use your tethered caps:

1. Installation:

- Align the tethered cap with the objective lens of the binoculars.
- Press the cap onto the lens until it fits snugly.
- Repeat for the second cap on the other lens.

2. Usage:

- Before using your binoculars, ensure both caps are securely attached.
- When not in use, keep the caps on to protect the lenses from dust and scratches.
- To remove the caps, gently pull them off the lenses while holding the binoculars steady.

Disposal Instructions

When it is time to dispose of the Vortex Optics Tethered Caps, please follow these guidelines:

- Do not dispose of the caps in regular household waste.
- Check local regulations for proper disposal methods for plastic products.
- If the caps are damaged, consider recycling them if possible.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Vortex Optics Tethered Caps, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for choosing Vortex Optics. Your safety and satisfaction are our top priorities.
