VORTEX OPTICS Tethered Caps Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS tethered caps set. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your product. Please read this manual carefully before using the tethered caps.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the tethered caps for any signs of damage or wear.
- Keep the product out of reach of young children to prevent accidental swallowing or injury.
- Do not use the caps if they are damaged, as this may compromise their protective function.
- Follow all local regulations regarding the disposal of plastic materials.

Specific Safety Precautions for Use

- Always ensure that the caps are securely attached to the binoculars when not in use to prevent loss.
- Avoid exposing the caps to extreme temperatures or harsh environmental conditions that may cause damage.
- Do not attempt to modify or alter the caps in any way, as this may affect their performance and safety.
- If you notice any unusual behavior or if the caps do not fit properly, discontinue use and consult the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Align the tethered caps with the objective lenses of your Vortex Viper binoculars.
- Gently press the caps onto the lenses until they are securely in place.
- Ensure that the tethers are free from tangles and that they allow for easy access to the lenses.

2. Usage:

- When using your binoculars, simply pull the tethered caps away from the lenses and place them in a safe location while using the binoculars.
- After use, return the caps to their original position to protect the lenses from dust and scratches.

3. Maintenance:

- Clean the caps regularly with a soft, dry cloth to remove any dust or debris.
- Avoid using harsh chemicals or abrasive materials that may damage the caps.

Disposal Instructions

- Dispose of the VORTEX OPTICS tethered caps in accordance with local waste management regulations.
- If the caps are damaged or no longer usable, consider recycling them if possible, as they are made from recyclable materials.

Contact Information for Further Support

For any safety inquiries or additional support regarding your VORTEX OPTICS tethered caps, please reach out to the designated EU contact point provided with your product packaging or visit the VORTEX OPTICS website for more information.

Thank you for your attention to these safety instructions. Enjoy your VORTEX OPTICS tethered caps and the enhanced protection they provide for your binoculars.
