VORTEX OPTICS Tethered Cap Set 50mm Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Tethered Cap Set 50mm designed for use with Vortex Viper/Razor Gen III binoculars. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure the product is used as intended to avoid potential hazards.
- Regularly inspect the tethered caps for any signs of wear or damage.
- Keep the product out of reach of children to prevent accidents.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the tethered caps if they are damaged or compromised in any way.
- Avoid exposing the caps to extreme temperatures or harsh environmental conditions.
- Ensure that the caps are securely attached to the binoculars before use to prevent loss.
- Do not attempt to modify or alter the caps in any way as this may compromise safety.

Instructions for Installation and Usage

1. Installation of Tethered Caps

- Carefully remove the tethered caps from the packaging.
- Align the caps with the objective lenses of the binoculars.
- Press the caps firmly onto the lenses until you hear a click, indicating they are securely attached.

2. Using the Tethered Caps

- When you are ready to use the binoculars, gently pull the tethered caps away from the lenses.
- Ensure that the caps are fully out of the way so they do not obstruct your view.
- After use, replace the caps back onto the lenses to protect them from dust and scratches.

3. Cleaning and Maintenance

- Clean the caps with a soft, dry cloth to remove any dirt or debris.
- Avoid using harsh chemicals or abrasive materials that could damage the caps.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or support regarding your VORTEX OPTICS Tethered Cap Set 50mm, please refer to the appropriate EU-based contact point as specified by the manufacturer.

Thank you for your attention to these safety instructions. Enjoy your VORTEX OPTICS Tethered Cap Set 50mm and the enhanced protection it provides for your binocular lenses.
