VORTEX OPTICS Tethered Caps Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Set of 2 Tethered Caps 56mm Kaibab. This guide provides important safety instructions and usage recommendations to ensure your product is used safely and effectively. Please read this guide carefully before using the product.

General Safety Guidelines

To ensure safe use of the VORTEX OPTICS tethered caps, please adhere to the following guidelines:

- Always inspect the product for any damage before use. Do not use if damaged.
- Keep the caps out of reach of small children to prevent choking hazards.
- Do not use the caps for any purpose other than their intended use with Vortex Kaibab binoculars.
- Ensure that the caps are securely attached to the lenses when not in use to prevent lens damage.
- Avoid exposure to extreme temperatures and humidity, which may affect the integrity of the caps.

Specific Safety Precautions for Use

When using the VORTEX OPTICS tethered caps, please follow these specific precautions:

- Do not force the caps onto the lenses; they should fit snugly but not require excessive force.
- If the caps become loose or detached during use, check for any obstructions or damage before reattaching.
- Regularly clean the caps with a soft, dry cloth to maintain visibility and function.
- Avoid using any harsh chemicals or abrasive materials when cleaning the caps, as this may damage them.

Instructions for Installation and Usage

Follow these instructions to properly install and use the VORTEX OPTICS tethered caps:

1. Installation:

- Align the tethered cap with the objective lens of the binoculars.
- Gently press the cap onto the lens until it fits securely.
- Ensure that the tether is properly attached and not twisted.

2. Usage:

- When using the binoculars, detach the caps by gently pulling them away from the lenses.
- When not in use, reattach the caps to protect the lenses from dust and scratches.
- Regularly check the tether for wear and tear, and replace if necessary.

Disposal Instructions

When it is time to dispose of the VORTEX OPTICS tethered caps, please follow these guidelines:

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the caps in household waste if they are not recyclable. Check for local recycling options.

- Ensure that any discarded product is kept out of reach of children.

Contact Information for Further Support

For any inquiries or concerns regarding the VORTEX OPTICS tethered caps, please contact the manufacturer directly. Ensure you have your product information ready for a quicker response.

By following these safety instructions, you can ensure the safe and effective use of your VORTEX OPTICS tethered caps. Thank you for your attention to these important guidelines. Enjoy your binoculars!
