# VORTEX OPTICS Tethered Caps Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS tethered caps for your Vortex Vulture binoculars. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read all sections carefully to maximize your safety and the longevity of your binoculars.

## General Safety Guidelines

- Ensure that the tethered caps are used only with Vortex Vulture binoculars to avoid compatibility issues.
- Regularly inspect the caps for any signs of wear or damage. Do not use damaged caps.
- Keep the caps away from children and pets to avoid choking hazards.
- Store the caps in a cool, dry place when not in use to prevent degradation from environmental factors.

## Specific Safety Precautions for Use

- Do not force the caps onto the lenses. Ensure they fit snugly without excessive pressure.
- Avoid using the caps in extreme temperatures. High heat or extreme cold can affect the material and integrity of the caps.
- Clean the caps with a soft, dry cloth. Do not use harsh chemicals or abrasive materials that may scratch or damage the surface.
- If you notice any unusual odors or changes in the material, discontinue use immediately and consult the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Align the tethered cap with the objective lens of the binoculars.
- Gently press the cap onto the lens until it fits securely.
- Ensure that the tether is properly attached to prevent loss.

### 2. Usage:

- When using the binoculars, remove the caps by gently pulling them away from the lenses.
- Always replace the caps after use to protect the lenses from dust, dirt, and scratches.
- If the caps become detached from the tether, check for any obstructions or damage.

## Disposal Instructions

- Dispose of the tethered caps responsibly. If they are damaged or no longer usable, place them in a designated recycling bin if available.
- Follow local regulations for disposal of plastic products to minimize environmental impact.

## Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's website or contact the customer support center directly.

Thank you for your attention to these safety instructions. Enjoy using your VORTEX OPTICS tethered caps and Vortex Vulture binoculars safely and responsibly!
