VORTEX OPTICS Rainguard Compact Binocular

Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Rainguard Compact binocular. This product is designed to enhance your outdoor experience by providing reliable protection against the elements. This safety instruction guide is intended to help you use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the binoculars are used only for their intended purpose.
- Keep the binoculars out of reach of children to prevent accidents.
- Regularly inspect the binoculars for any signs of damage or wear.
- Avoid exposing the binoculars to extreme temperatures or direct sunlight for prolonged periods.
- Always store the binoculars in a dry place when not in use.

Specific Safety Precautions for Use

- Do not use the binoculars while driving or operating machinery.
- Avoid looking directly at the sun through the binoculars as this can cause serious eye damage.
- Use the binoculars in accordance with the manufacturer's instructions to prevent misuse.
- If you experience discomfort or vision problems while using the binoculars, discontinue use immediately and consult a medical professional.

Instructions for Installation and Usage

1. Unpacking the Binoculars:

- Carefully remove the binoculars from the packaging.
- Inspect the product for any visible damage or missing parts.

2. Adjusting the Eyecups:

- If you wear glasses, twist the eyecups down to the "down" position.
- If you do not wear glasses, twist the eyecups up to the "up" position.

3. Focusing the Binoculars:

- Use the central focusing wheel to adjust the focus for your right eye.
- Close your right eye and use the left eye to focus on a distant object.
- Open your right eye and close your left eye. Adjust the right eye focus using the right eyepiece until the object is clear.

4. Using the Rainguard:

- Ensure that the Rainguard is properly attached to the binoculars.
- When using the binoculars in wet conditions, ensure that the Rainguard is fully engaged to protect against moisture.

5. Storing the Binoculars:

- After use, clean the lenses with a soft, lintfree cloth.

- Store the binoculars in a protective case in a cool, dry place.

Disposal Instructions

- Dispose of the binoculars in accordance with local regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the binoculars in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the VORTEX OPTICS Rainguard Compact binocular, please reach out to the provided contact points in your product documentation or visit the official Vortex Optics website.

Thank you for following these safety guidelines. Enjoy your VORTEX OPTICS Rainguard Compact binocular responsibly!
