

Razor HD 27-60x85wa Spotting Scope - angled

[Optics & Mounting](#) > [Spotting Scopes & Accessories](#) > [Spotting Scopes](#)

The Vortex Razor HD 27-60x85mm Spotting Scope produces brilliant, high definition images thanks to its precision ground, hand selected lenses that are held to exacting standards. Fully multi-coated lenses used in the Vortex Razor HD 27-60x85mm Spotting Scope include an XR Plus anti-reflective coating for optimum viewing during low-light conditions.

A locking collar allows the Vortex Razor HD 27-60x85mm Spotting Scope to be rotated for the best viewing angle while a built in sunshade pulls out to reduce glare. Easily adjustable, multi-position eyecup gives you the correct eye relief - even when wearing glasses.

Vortex Optics Razor HD 2760x85mm Spotting Scope Safety Instructions

Introduction

Thank you for choosing the Vortex Optics Razor HD 2760x85mm Spotting Scope. This guide provides important safety instructions and guidelines to ensure safe and effective use of your spotting scope. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the spotting scope is used only for its intended purpose.
- Keep the spotting scope out of reach of children and vulnerable individuals.
- Regularly inspect the spotting scope for any signs of damage or wear.
- Avoid using the spotting scope in extreme weather conditions.
- Store the spotting scope in a dry, cool place when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not look directly at the sun through the spotting scope, as this can cause serious eye damage.
- When adjusting the focus or zoom, do so slowly to avoid sudden changes in image clarity.
- Use the locking collar to secure the spotting scope in the desired position to prevent accidental rotation.
- Ensure that the eyecup is adjusted correctly for your eye relief, especially if you wear glasses.
- Be cautious when using the builtin sunshade to avoid pinching fingers or other body parts.
- Avoid exposing the spotting scope to excessive moisture or dust to maintain optimal performance.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the spotting scope from its packaging. Check for any visible damage.
2. **Mounting:**
 - Attach the spotting scope to a compatible tripod using the mounting plate.
 - Ensure that the scope is securely fastened to prevent it from falling.
3. **Adjusting the Eyecup:**
 - Twist or pull the eyecup to the desired position for optimal eye relief.
4. **Focusing:**
 - Rotate the focus wheel to achieve a clear image.
 - Use the helical focus for fine adjustments.
5. **Zooming:**
 - Adjust the zoom by turning the zoom ring from 27x to 60x as needed.
6. **Using the Sunshade:**
 - Pull out the builtin sunshade to reduce glare when necessary.
7. **Storing:**
 - After use, retract the sunshade and store the spotting scope in a protective case to prevent damage.

Disposal Instructions

- Dispose of the spotting scope and its packaging materials in accordance with local regulations.
- Do not dispose of electronic components in regular household waste. Check for local ewaste recycling programs.

Contact Information for Further Support

For safety inquiries, product support, or to report an unsafe product, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for following these safety instructions. Enjoy your Vortex Optics Razor HD 2760x85mm Spotting Scope responsibly!
