

# Razor HD 27-60x85wa Spotting Scope - straight

[Optics & Mounting](#) > [Spotting Scopes & Accessories](#) > [Spotting Scopes](#)

The Vortex Razor HD 27-60x85mm Spotting Scope produces brilliant, high definition images thanks to its precision ground, hand selected lenses that are held to exacting standards. Fully multi-coated lenses used in the Vortex Razor HD 27-60x85mm Spotting Scope include an XR Plus anti-reflective coating for optimum viewing during low-light conditions.

A locking collar allows the Vortex Razor HD 27-60x85mm Spotting Scope to be rotated for the best viewing angle while a built in sunshade pulls out to reduce glare. Easily adjustable, multi-position eyecup gives you the correct eye relief - even when wearing glasses.

# Vortex Optics Razor HD 2760x85mm Spotting Scope Safety Instruction Guide

## Introduction

Thank you for choosing the Vortex Optics Razor HD 2760x85mm Spotting Scope. This guide provides essential safety information and instructions to ensure safe and effective use of your spotting scope. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the spotting scope is used only for its intended purpose.
- Always handle the spotting scope with care to prevent damage.
- Keep the spotting scope out of reach of children and vulnerable individuals.
- Do not use the spotting scope in conditions that may cause personal injury or damage to the product.
- Regularly check for any signs of wear or damage before use.
- Follow all local regulations regarding the use of optical devices.

## Specific Safety Precautions for Use

- **Eye Safety:** Always use the spotting scope responsibly. Avoid looking directly at the sun or bright light sources through the scope, as this may cause serious eye damage.
- **Weather Conditions:** Although the spotting scope is argon gas purged for waterproof and fogproof performance, avoid exposing it to extreme weather conditions for prolonged periods.
- **Physical Handling:** Use both hands when handling the spotting scope to prevent accidental drops or damage.
- **Lens Care:** Clean the lenses with a soft, lintfree cloth. Avoid using abrasive materials that may scratch the lens surface.
- **Storage:** Store the spotting scope in a cool, dry place when not in use. Use the provided case to protect it from dust and scratches.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the spotting scope from its packaging. Inspect for any visible damage.
2. **Mounting:**
  - Attach the spotting scope to a compatible tripod or mounting system using the builtin mounting collar.
  - Ensure that the scope is securely fastened before use.
3. **Adjusting the Eyecup:**
  - If wearing glasses, twist the eyecup down for the correct eye relief.
  - For users without glasses, twist the eyecup up for optimal viewing comfort.
4. **Focusing:**
  - Use the helical focus mechanism to achieve a clear image.
  - Rotate the focus knob slowly and steadily for fine adjustments.
5. **Using the Sunshade:**
  - Pull out the builtin sunshade to reduce glare during bright conditions.
  - Ensure it is securely in place before use.

## Disposal Instructions

- Dispose of the spotting scope in accordance with local regulations regarding electronic waste and optical devices.
- Consider recycling materials where possible.

- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the Vortex Optics Razor HD 2760x85mm Spotting Scope, please refer to the manufacturer's official website or customer service for assistance.

Thank you for your attention to these safety guidelines. Enjoy your Vortex Optics Razor HD spotting scope responsibly!
