

# Razor HD 11-33x50 Spotting Scope - angled

[Optics & Mounting](#) > [Spotting Scopes & Accessories](#) > [Spotting Scopes](#)

The Vortex Razor HD 11-33x50mm Spotting Scope is a premium scope that delivers images with razor-sharp resolution and high color fidelity. Taking spotting scope performance to the next level, the Vortex Razor HD 11-33x50mm Spotting Scope uses premium glass elements that are precision ground and hand selected to ensure the finest performance.

Multi-position eyecup on the Vortex Razor HD 11-33x50mm Spotting Scope twists up to give you proper eye relief with or without glasses. A locking collar allows the Razor HD to be rotated for the best viewing angle while a built in sunshade pulls out to reduce glare.

The Vortex Razor HD 11-33x50mm Spotting Scope features a Helical focus for fast and fine adjustments, plus a twist up, multi-position eyecup to give you optimum eye relief. A built in sunshade pulls out to reduce glare, while the integrated locking collar allows you to rotate the scope to the best viewing position.

Compact die-cast magnesium body

# VORTEX OPTICS Razor HD 1133x50 Spotting Scope Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS Razor HD 1133x50 Spotting Scope. This premium spotting scope is designed to provide you with exceptional image quality and performance. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** This spotting scope is designed for safe use. However, it is essential to follow the guidelines to avoid any potential hazards.
- **Enhanced Recalls:** Always check for any recall notices regarding this product. If a recall occurs, follow the instructions provided for returning or replacing the product.
- **Online Shopping Safety:** When purchasing online, ensure that the seller complies with safety requirements. Always buy from reputable sources.
- **Special Consumer Focus:** This product is not intended for use by children without adult supervision. Ensure children do not have access to the spotting scope.
- **EU Contact Point:** For any safety inquiries, please contact the EU-based support team for assistance.
- **Rapid Alerts:** Keep informed about any safety alerts related to this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly at the sun or other intense light sources through the spotting scope, as this can cause serious eye damage.
- **Secure Handling:** Always use the spotting scope with both hands to prevent accidental dropping. Ensure it is placed on a stable surface when not in use.
- **Check for Damage:** Before each use, inspect the scope for any signs of damage. Do not use if damaged, and contact support for assistance.
- **Avoid Extreme Conditions:** Do not expose the scope to extreme temperatures or humidity levels. Store it in a dry, cool place when not in use.
- **Use Proper Accessories:** Only use accessories recommended by VORTEX OPTICS to avoid compatibility issues or damage.

## Instructions for Installation and Usage

### 1. Setting Up the Spotting Scope:

- Remove the spotting scope from the packaging carefully.
- Attach the spotting scope to a tripod using the mounting plate. Ensure it is securely fastened.

### 2. Adjusting the Eyecup:

- Twist the multiposition eyecup to your desired height for optimal eye relief.
- If wearing glasses, adjust the eyecup to the down position for better comfort.

### 3. Focusing the Scope:

- Use the helical focus mechanism to adjust for clarity. Turn the focus knob slowly until the image is sharp.
- For fast adjustments, use the helical focus to quickly bring distant objects into view.

#### **4. Using the Sunshade:**

- Pull out the builtin sunshade to reduce glare from bright conditions.
- Rotate the scope using the locking collar to find the best viewing angle.

#### **5. Storing the Spotting Scope:**

- After use, clean the exterior and lenses with a soft cloth.
- Store the scope in a protective case to prevent dust and scratches.

## **Disposal Instructions**

- When disposing of the spotting scope, follow local regulations for electronic waste.
- If the product is damaged beyond repair, ensure it is disposed of in an environmentally friendly manner.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or support, please reach out to the VORTEX OPTICS customer service team through their official channels. Ensure you have the product details available for efficient assistance.

By following these safety instructions, you can enjoy the full capabilities of your VORTEX OPTICS Razor HD 1133x50 Spotting Scope while ensuring your safety and the safety of others. Thank you for your attention to these important guidelines.
