VORTEX OPTICS Car Window Mount Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Car Window Mount. This product provides a stable platform for your spotting scope or binoculars, enhancing your outdoor viewing experience. To ensure your safety and the optimal use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

To ensure safe use of the VORTEX OPTICS Car Window Mount, please adhere to the following guidelines:

- Always use the mount in accordance with the manufacturer's instructions.
- Inspect the mount before each use for any signs of damage or wear.
- Ensure the vehicle window is clean and free from obstructions before attaching the mount.
- Do not exceed the maximum load of 5 pounds.
- Keep the mount out of reach of children to prevent accidents.
- Report any unsafe conditions or product malfunctions to the relevant authorities.

Specific Safety Precautions for Use

When using the VORTEX OPTICS Car Window Mount, please keep the following precautions in mind:

- Ensure the mount is securely attached to the window before use.
- Use the twistlock mechanism to control pan and tilt action with one hand, ensuring that it is tightened properly to avoid unwanted movement.
- Avoid using the mount while the vehicle is in motion.
- Do not adjust the mount or your viewing equipment while driving.
- Be aware of your surroundings and ensure that the mount does not obstruct your view or that of the driver.

Instructions for Installation and Usage

Follow these steps to install and use the VORTEX OPTICS Car Window Mount safely:

1. Preparation:

- Clean the area of the vehicle window where the mount will be attached.
- Ensure that the spotting scope or binoculars are ready for use.

2. Installation:

- Lower the vehicle window to the desired position.
- Align the mount's padded jaws with the edge of the window.
- Firmly press the mount against the window and ensure the padded jaws are securely gripping the glass.
- Twist the lock mechanism to secure the mount in place.

3. Usage:

- Adjust the spotting scope or binoculars to your preferred viewing angle using the pan and tilt controls.
- Once you have your target in view, tighten the twistlock mechanism to prevent any movement.

- After use, carefully remove the mount from the window by loosening the twistlock and lifting it away.

Disposal Instructions

To dispose of the VORTEX OPTICS Car Window Mount:

- Check local regulations for disposal of nonfood products.
- If the mount is damaged or no longer usable, dispose of it in accordance with local waste management guidelines.
- Recycle any recyclable materials if applicable.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the product packaging or visit the manufacturer's website for support options.

Thank you for prioritizing safety while using the VORTEX OPTICS Car Window Mount. Enjoy your outdoor adventures!
