VORTEX OPTICS Summit SS/SSP QR Plate Safety Instruction Guide

Introduction

Thank you for choosing the Vortex Summit SS Tripod QuickRelease Plate. This guide provides important safety information, installation instructions, and usage tips to ensure safe and effective operation of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only as intended. The Vortex Summit SS QR Plate is designed specifically for use with the Vortex Summit SS Tripod.
- Always check for compatibility before using the QR Plate with any optical devices.
- Inspect the QR Plate before each use for any signs of damage or wear. Do not use if damaged.
- Keep the QR Plate out of reach of children to prevent accidents.
- Follow all local laws and regulations when using optical devices in public spaces.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of dropping optical devices if not securely attached.
- Risk of damage to optics if not handled properly.

- **Instructions to Avoid Hazards:**

- Always ensure that the optical device is securely fastened to the QR Plate before lifting the tripod.
- Use the QR Plate on stable surfaces to prevent tipping.
- Avoid overtightening the attachment screw, as this may damage the optical device or the QR Plate.
- Do not use the QR Plate in adverse weather conditions that may affect stability.

- **AgeSpecific Warnings:**

- This product is not intended for use by children under the age of 14 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure the tripod is on a flat and stable surface.
- Align the QR Plate with the mounting socket on the Vortex Summit SS Tripod.
- Insert the 1/4"x20 optic attachment screw into the mounting socket.
- Tighten the screw securely, but do not overtighten.

2. Usage:

- To attach an optical device, align the device with the QR Plate.
- Secure the optical device by tightening the attachment screw.
- Ensure the device is firmly attached before lifting the tripod.
- To remove the optical device, loosen the attachment screw and carefully lift the device away from the QR Plate.

Disposal Instructions

- Dispose of the product responsibly according to local regulations.
- Do not dispose of the QR Plate with general household waste.
- Consider recycling the product if possible, following your local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Vortex Summit SS Tripod QuickRelease Plate, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for following these safety instructions. Enjoy your Vortex Summit SS Tripod QuickRelease Plate and the enhanced versatility it brings to your optical devices.
