

PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam - SKD TACTICAL PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam - XXL

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are being used by sport shooters and special forces all over the USA.

And should your phone ring sometime while wearing the gloves, that's no problem! – the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

The most important features:

- Single Layer Design – no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control of the trigger.
- Very flat velcro fastener on the inside, so you won't get stuck somewhere.
- Flex-Insoles on the back of the fingers – two on the triggerfinger – ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and indexfinger.

Important notice:

The gloves are very tightly cut, but will adapt to the hand of its wearer. We recommend you to wear the gloves a little in everyday life before shooting, so they fit you perfectly.

Please take a look at the size chart for PIG gloves sizes!

PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Safety Instruction Guide

Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the gloves. Please read this document carefully to understand how to use the gloves properly and to stay informed about safety measures.

General Safety Guidelines

- **Product Safety:** The gloves are designed for safe use in tactical shooting and other activities. Ensure that you are aware of any potential hazards associated with their use.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Free remedies will be provided for any dangerous products.
- **Online Shopping:** If purchased online, the gloves must meet the same safety requirements as those bought in physical stores.
- **Special Consumer Focus:** Extra care should be taken if the gloves are used by vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate system for faster alerts on unsafe products.

Specific Safety Precautions for Use

- **Proper Fit:** The gloves are designed to fit tightly. It is recommended to wear them in everyday situations before using them for shooting to ensure a proper fit.
- **Touchscreen Compatibility:** The gloves feature touchscreen-compatible fingertips. Be cautious when using electronic devices to avoid accidental drops or mishandling.
- **Avoid Extreme Conditions:** Do not expose the gloves to extreme temperatures or harsh chemicals, as this may compromise their integrity and safety.
- **Check for Damage:** Regularly inspect the gloves for any signs of wear or damage. If the gloves show signs of deterioration, discontinue use immediately.
- **Use for Intended Purpose:** These gloves are specifically designed for tactical shooting. Avoid using them for other purposes that may pose risks.

Instructions for Installation and Usage

- **Wearing the Gloves:**
 - Ensure your hands are clean and dry before putting on the gloves.
 - Slide your fingers into the gloves, ensuring a snug fit without excessive tightness.
 - Adjust the Velcro fastener on the inside for a secure fit.
- **Using the Gloves:**
 - When using the gloves for shooting, ensure that the trigger finger is positioned correctly for optimal control.
 - The thin material allows for enhanced dexterity, so practice handling your firearm while wearing the gloves to become accustomed to the feel.
 - If you need to use your phone or other touchscreen devices, simply touch the screen with the compatible fingertips.

- **Cleaning and Maintenance:**

- Hand wash with mild soap and water. Do not machine wash or tumble dry.
- Allow the gloves to air dry completely before storing them.
- Store the gloves in a cool, dry place away from direct sunlight.

Disposal Instructions

- **End of Life:** When the gloves reach the end of their useful life, dispose of them responsibly.
- **Recycling:** Check local regulations for proper disposal methods. If possible, recycle the materials according to local guidelines.
- **Hazardous Waste:** If the gloves are damaged and contain hazardous materials, contact your local waste management facility for proper disposal options.

Contact Information for Further Support

For any questions or concerns regarding the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam, please refer to the designated contact point in your region for assistance. It is important to stay informed about safety measures and product updates.

Thank you for your attention to these safety instructions. Enjoy the benefits of your PIG FDT Alpha Touch Gloves while ensuring your safety and the safety of those around you.
