PIG Full Dexterity Tactical (FDT) Delta Utility Glove Multicam Safety Instruction Guide

Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Delta Utility Glove Multicam. This guide provides important safety instructions to ensure the safe use of your gloves. Please read this document carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that gloves are the correct size for your hands to maintain comfort and dexterity.
- Inspect gloves for any signs of damage or wear before use. Do not use if damaged.
- Keep gloves away from sharp objects to prevent cuts and tears.
- Avoid exposing gloves to extreme heat, chemicals, or other hazardous substances.
- Ensure that gloves are suitable for the intended use, especially when operating machinery or handling tools.
- Wash gloves according to the care instructions to maintain their integrity and performance.
- Report any incidents or product safety concerns to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that your hands are clean and dry before putting on the gloves to maintain hygiene.
- When using gloves for tasks that require grip, ensure that the gloves fit snugly to avoid slippage.
- Be cautious when using gloves in wet conditions as they may affect grip and dexterity.
- Do not use gloves as a substitute for protective equipment required for specific tasks.
- If you experience any discomfort or irritation while wearing the gloves, remove them immediately.

Instructions for Installation and Usage

1. Fitting the Gloves:

- Select the appropriate size by referring to the size chart for PIG gloves.
