PIG Full Dexterity Tactical (FDT) Delta Utility Glove Multicam Safety Instruction Guide

Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Delta Utility Glove Multicam. This guide provides essential safety information to ensure the safe and effective use of your gloves. Please read this guide carefully before using the product.

General Safety Guidelines

- Always inspect the gloves before each use for any signs of damage or wear.
- Ensure that the gloves fit properly to avoid any accidents or injuries during use.
- Keep the gloves away from fire and extreme heat sources to prevent burns or melting.
- Do not use the gloves for activities they are not designed for, such as heavyduty construction or handling hazardous materials.
- Store the gloves in a cool, dry place away from direct sunlight to maintain their quality and longevity.
- If you experience any discomfort or allergic reactions while wearing the gloves, discontinue use immediately and consult a medical professional.

Specific Safety Precautions for Use

- The gloves are designed for tactical use and are not intended for children. Keep them out of reach of children to prevent accidental use.
- When using the gloves with touchscreen devices, ensure that your fingers are clean and dry to maintain sensitivity and accuracy.
- Avoid using the gloves in wet conditions as they may reduce grip and increase the risk of slippage.
- Be cautious when using the gloves with sharp tools or equipment. Always prioritize safety and use appropriate protective gear as needed.
- If you are using the gloves for shooting or other precise activities, practice with them in a safe environment to ensure you are comfortable and familiar with their fit and feel.

Instructions for Installation and Usage

• Wearing the Gloves:

- Slip the gloves on, ensuring that they fit snugly but comfortably. Adjust as necessary for optimal fit.
- Make sure that the fingers are fully inserted and that there are no twists or folds in the material.

• Using the Gloves:

- Utilize the gloves for their intended purpose, such as tactical shooting, handling equipment, or operating touchscreen devices.
- For touchscreen use, ensure that the thumb and index finger are positioned correctly on the screen for optimal functionality.

• Cleaning and Maintenance:

- Clean the gloves regularly to maintain hygiene and performance. Hand wash with mild soap and water, then air dry.
- Do not machine wash or tumble dry as this may damage the materials and shape of the gloves.

Disposal Instructions

- When the gloves reach the end of their usable life, dispose of them responsibly.
- Check local regulations for disposal of textile products. If possible, consider recycling or donating them if they are still in usable condition.
