## Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

The 3005 series is optimized for the transportation by airplane.

## Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

## Attributes

- Name: [EXPLORER CASES Red 7814 BE - Empty](#)

# Safety Instruction Guide for RED 7814 EXPLORER CASES

## Introduction

Thank you for choosing the RED 7814 EXPLORER CASES. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the case to ensure proper handling and to avoid any potential hazards.

## General Safety Guidelines

- **Product Safety:** This product is designed to provide safe storage and transportation for your weapons. Ensure that you follow all safety instructions to minimize risks.
- **Enhanced Recalls:** In the event of a safety recall, you will be notified through standardized notices. Please check for updates regularly.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations equivalent to those in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer or authorized distributor.
- **Rapid Alerts:** Stay informed about product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

## Specific Safety Precautions for Use

- **Handling:** Always handle the case with care. Avoid dropping or subjecting it to extreme impacts.
- **Locking Mechanism:** Ensure that the locking latches are securely fastened when the case is closed to prevent accidental openings.
- **Water Resistance:** While the case is waterresistant, do not submerge it in water. Store it in a dry place whenever possible.
- **Weight Limit:** Do not exceed the weight limit of 5.50 kg when loading the case to avoid strain or damage.
- **Air Pressure Release:** Always use the manual air pressure release valve when closing the case after transportation to avoid pressure buildup.
- **Internal Storage:** Use internal cutouts and brackets as intended to securely store your items. Avoid overcrowding the case.

## Instructions for Installation and Usage

- **Unpacking:** Carefully remove the case from its packaging. Inspect for any damage before use.
- **Loading Items:**
  - Open the case using the front handle.
  - Place items inside the case, utilizing the internal cutouts for optimal organization.
  - Ensure that items are secure and do not move around inside the case.
- **Closing the Case:**
  - Close the lid firmly.
  - Engage the locking latches to secure the case.
  - If needed, use the air pressure release valve to equalize pressure before closing.
- **Transportation:**
  - Use the large front handle for traditional carrying.
  - Optionally, attach shoulder straps for easier transport.
- **Labeling:** Use the waterproof removable label to mark your equipment or store necessary data.

## Disposal Instructions

- **Recycling:** This product is made from polypropylene, which is recyclable. Please dispose of it according to local recycling guidelines.
- **Hazardous Waste:** Do not dispose of the case in regular household waste. Check with local waste management for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding safety, usage, or product maintenance, please refer to the manufacturer or authorized distributor. They will provide you with the necessary support and information.

By following these safety instructions, you can ensure the safe and effective use of your RED 7814 EXPLORER CASES. Thank you for your attention to safety.
