Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 11413 series can also be used as trolley case.

Safety Instruction Guide for RED 11413 EXPLORER CASES

Introduction

Thank you for choosing the RED 11413 EXPLORER CASES Red 11413 BFF Density Full Foam. This guide provides essential safety instructions to ensure the safe use and handling of your weapon case. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the case is used only for its intended purpose, which is to store and transport weapons and related equipment.
- Always inspect the case for any visible damage before use. Do not use the case if it is damaged.
- Keep the case out of reach of children and unauthorized users.
- Use the case in accordance with the local laws and regulations regarding weapon storage and transport.
- Regularly check for updates on safety recalls and product safety information.

Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the weight capacity of the case. The weight of the case is 8.80 kg (7.80 kg without inlay).
- **Water Resistance:** While the case is waterresistant, avoid prolonged exposure to water. Ensure that the O-ring gasket is intact to maintain water resistance.
- **Handling:** Always use the large front handle or optional shoulder straps for transportation. Avoid lifting the case by the lid or any other part that may not support the weight.
- **Air Pressure Release:** Before opening the case, ensure that the manual air pressure release valve is functioning properly to prevent sudden pressure changes.
- **Storage:** Store the case in a cool, dry place away from direct sunlight to prevent material degradation.

Instructions for Installation and Usage

1. Opening the Case:

- Ensure the locking latches are in the unlocked position.
- Use the manual air pressure release valve if necessary before opening.

2. Storing Equipment:

- Use the internal cutouts for optional internal brackets or mounting rings to secure your equipment.
- Place your items in the case carefully to avoid damage.

3. Transporting the Case:

- Use the large front handle for traditional carrying or attach optional shoulder straps for handsfree transport.
- Ensure that the case is securely closed before moving.

4. Labeling:

- Use the waterproof removable label to clearly identify the contents of the case.

5. Closing the Case:

- Ensure all items are properly stored and the lid is closed.
- Lock the latches securely to ensure the case remains closed during transport.

Disposal Instructions

- Dispose of the case in accordance with local regulations regarding plastic waste.
- If the case is damaged beyond use, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's website or customer service. It is important to stay informed about product safety standards and updates.

By following these safety instructions, you will ensure a safe and effective experience with your RED 11413 EXPLORER CASES. Thank you for your attention to these guidelines.
