Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 11413 series can also be used as trolley case.

Safety Instruction Guide for RED 11413 EXPLORER CASES

Introduction

Thank you for choosing the RED 11413 EXPLORER CASES. This guide provides essential safety instructions to ensure the safe use of your weapon case. Please read this guide thoroughly before using the product to understand its features, safety precautions, and maintenance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a weapon case.
- Keep the case out of reach of children and vulnerable individuals.
- Regularly inspect the case for any signs of damage or wear that could compromise safety.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the weapon is unloaded before placing it in the case.
- Use the locking latches to secure the case properly.
- Avoid exposing the case to extreme temperatures or harsh chemicals that may damage the materials.
- When transporting the case, ensure that it is securely fastened to prevent movement.
- Do not overload the case beyond its specified weight limit of 8.80 kg.

Instructions for Installation and Usage

1. Unpacking the Case

- Carefully remove the case from its packaging.
- Inspect the case for any visible damage or missing components.

2. Preparing the Case for Use

- Open the case using the metal hinges and ensure the lid stays open securely.
- If using the gunbag, ensure it is properly placed inside the case.

3. Storing Your Weapon

- Place your unloaded weapon inside the case, ensuring it is supported and does not move around.
- Utilize the internal cutouts for optional brackets or mounting rings for secure storage.

4. Securing the Case

- Close the lid and engage the locking latches to secure the case.
- Ensure the Oring gasket is properly seated to maintain water resistance.

5. Transporting the Case

- Use the large front handle or attach optional shoulder straps for ease of transport.
- If using as a trolley case, ensure the wheels are free from obstruction.

6. After Use

- Clean the case with a damp cloth to remove any dirt or debris.
- Store the case in a dry place away from direct sunlight.

Disposal Instructions

- Dispose of the case in accordance with local regulations for plastic waste.
- Do not incinerate the case as it may release harmful substances.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the designated EU contact point for this product. Ensure you have the product details and any relevant information ready for a quicker resolution.

By following these guidelines, you can ensure the safe and effective use of your RED 11413 EXPLORER CASES. Thank you for your attention to safety.
