Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 13513 series can also be used as trolley case.

Safety Instruction Guide for RED 13513 EXPLORER CASES

Introduction

Thank you for choosing the RED 13513 EXPLORER CASES. This case is designed to provide the best protection for your valuable equipment. To ensure safe and efficient use, please read this safety instruction guide carefully. It adheres to the EU General Product Safety Regulation (GPSR) to ensure your safety and satisfaction.

General Safety Guidelines

- Ensure the case is suitable for the items you intend to store.
- Regularly inspect the case for any signs of damage or wear.
- Always use the case as intended. Avoid overloading it beyond its weight capacity.
- Keep the case away from extreme temperatures and harsh environments to maintain its integrity.
- Follow all local laws and regulations regarding the transport and storage of weapons.

Specific Safety Precautions for Use

- **Handling:**
 - Always lift the case using the front handle or shoulder straps. Avoid lifting it by the lid or any other part.
 - When transporting, ensure that the case is securely closed and latched.
- **Storage:**
 - Store the case in a dry, cool location to prevent moisture accumulation.
 - Ensure that the case is not exposed to direct sunlight for prolonged periods.
- **Locking Mechanism:**
 - Regularly check the locking latches to ensure they are functioning correctly.
 - Always lock the case when not in use to prevent unauthorized access.
- **Water Resistance:**
 - While the case is waterresistant, avoid submerging it in water.
 - Inspect the Oring gasket regularly to ensure a proper seal.
- **Air Pressure Release:**
 - Use the manual air pressure release valve when necessary, especially after transporting by air.

Instructions for Installation and Usage

1. Setting Up the Case:

- Open the case by releasing the locking latches.
- Check the internal PreCube Foam inlays to ensure they are positioned correctly for your equipment.

2. Storing Equipment:

- Place your equipment inside the case, ensuring it fits snugly in the foam cutouts.
- If using optional internal brackets or mounting rings, install them as needed to secure your items.

3. Closing the Case:

- After storing your equipment, close the lid firmly.
- Ensure that the locking latches are securely fastened.

4. Transporting the Case:

- Use the front handle for traditional carrying or attach shoulder straps for ease of transport.
- If using as a trolley case, ensure that wheels are free of debris for smooth movement.

5. Labeling:

- Use the waterproof removable label to mark your equipment or store important information.

Disposal Instructions

- Dispose of the case in accordance with local regulations for plastic waste.
- If the case is damaged beyond repair, ensure that it is recycled responsibly.
- Remove any internal components, such as foam inlays, before disposal.

Contact Information for Further Support

For safety inquiries or concerns regarding the RED 13513 EXPLORER CASES, please refer to the product packaging for the relevant contact information or consult the manufacturer's website.

By following these guidelines, you can maximize the safety and longevity of your RED 13513 EXPLORER CASES. Thank you for your attention to these important safety measures.
