## Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

## Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 13513 series can also be used as trolley case.

# RED 13513 EXPLORER CASES Safety Instruction Guide

## Introduction

Thank you for choosing the RED 13513 EXPLORER CASES. This safety instruction guide is designed to ensure the safe use of your weapon case. Please read and follow these instructions carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to store and transport weapons and related equipment.
- Regularly inspect the case for any signs of damage or wear that may compromise its integrity.
- Always keep the case closed and locked when not in use to prevent unauthorized access.
- Store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- Follow all local laws and regulations regarding the storage and transportation of weapons.

## Specific Safety Precautions for Use

- **Corrosion Resistance:** The case features corrosionproof metal hinges. Ensure that these hinges are not exposed to excessive moisture to maintain their functionality.
- **Water Resistance:** The Oring gasket provides water resistance. However, do not submerge the case in water. Always check the gasket for damage before use.
- **Air Pressure Release:** The manual air pressure release valve is designed for safe handling. Ensure it is functioning correctly before transporting the case.
- **Locking Latches:** Use the locking latches to secure the case. Ensure they are fully engaged before moving the case.
- **Weight Management:** The case weighs 9.95 kg. Use proper lifting techniques to avoid injury when transporting the case.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully unpack the case and inspect it for any visible damage. If damage is found, do not use the case and contact the manufacturer.
2. **Labeling:** Use the waterproof removable label to identify your equipment. Ensure the label is securely attached.
3. **Storage Configuration:**
  - Utilize the internal cutouts for optional brackets or mounting rings as needed.
  - Arrange equipment in a manner that prevents movement during transport.
4. **Transporting the Case:**
  - Use the large front handle for traditional carrying.
  - Optionally, attach shoulder straps for handsfree transport.
  - If using as a trolley case, ensure that wheels are free of debris and function properly.
5. **Closing the Case:** After storing your equipment, close the lid firmly and engage the locking latches.

## Disposal Instructions

- Dispose of the case in accordance with local regulations regarding plastic waste.
- If the case is damaged beyond use, consider recycling the polypropylene material where facilities exist.
- Do not dispose of the case in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please contact the manufacturer directly through the provided contact information. Always refer to the manufacturer's website for the latest product updates and safety recalls.

## **Conclusion**

By following these safety instructions, you will help ensure the safe use and longevity of your RED 13513 EXPLORER CASES. Thank you for your attention to safety.
