## Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

## Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The 3005 series is optimized for the transportation by airplane.

# Safety Instruction Guide for the 3005 Black Explorer Cases

## Introduction

Thank you for choosing the 3005 Black Explorer Cases. This case is designed to provide exceptional protection for your valuable equipment. To ensure safe and effective use, please read this safety instruction guide thoroughly. It contains important information regarding the safe use, installation, and disposal of your case in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the case is used only for its intended purpose, which is to safely store and transport weapons and equipment.
- Regularly inspect the case for any signs of damage or wear. If any damage is found, discontinue use immediately.
- Keep the case out of reach of children and vulnerable individuals to prevent accidents.
- Always ensure that the case is securely closed and locked when not in use.
- Avoid exposing the case to extreme temperatures or harsh environmental conditions, as this may compromise its integrity.

## Specific Safety Precautions for Use

- **Handling:** Always lift the case using the large front handle or shoulder straps. Avoid lifting it by the lid or any other part that may not support the weight.
- **Transporting:** When transporting the case, ensure it is secured in your vehicle to prevent movement during travel.
- **Storage:** Store the case in a dry, cool place away from direct sunlight and moisture to prevent degradation of materials.
- **Water Resistance:** While the case is designed to be waterresistant, do not submerge it in water. Always check the Oring gasket for proper sealing before exposure to moisture.
- **Air Pressure Release:** When transporting by air, ensure the manual air pressure release valve is functioning properly to avoid pressure buildup.

## Instructions for Installation and Usage

1. **Preparation:** Before using the case, ensure that you have familiarized yourself with all the features and components.
2. **Inlay Setup:** Utilize the PreCube Foam inlay to customize the interior according to your equipment's dimensions. Cut the foam as needed to ensure a snug fit for your items.
3. **Loading Equipment:**
  - Place your equipment gently into the case.
  - Ensure that all items are securely positioned and do not move around.
4. **Securing the Case:**
  - Close the lid firmly and engage the locking latches to secure the case.
  - Check that the lid stay features are functioning to hold the lid open when needed.
5. **Transporting the Case:** Use the provided handle or attach shoulder straps for ease of transport. Ensure that the case is balanced and not overloaded.

## Disposal Instructions

- When the case has reached the end of its life, please dispose of it responsibly.
- Check local regulations for proper disposal methods for polypropylene materials.

- If possible, recycle the case to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your 3005 Black Explorer Cases, please reach out to the designated EU contact point provided with your product information.

By adhering to these safety guidelines, you can ensure a secure and effective experience with your 3005 Black Explorer Cases. Thank you for prioritizing safety and compliance.
