Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The 3005 series is optimized for the transportation by airplane.

Safety Instruction Guide for the EXPLORER CASES 3005 D Desert Sand

Introduction

Thank you for choosing the EXPLORER CASES 3005 D in Desert Sand. This case is designed to provide the best protection for your valuable equipment. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always inspect the case before use for any signs of damage or wear.
- Follow all instructions provided in this guide to ensure safe handling and operation.
- Keep the case out of reach of children and vulnerable individuals to prevent accidental injury.
- Ensure that the case is securely closed and locked when not in use or during transport.
- Be aware of the weight of the case when fully loaded to prevent strain or injury during lifting.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Heavy weight may cause strain; always lift with care.
 - The case is designed for weapons; ensure compliance with local laws regarding transport and storage.
 - The case is waterresistant but not waterproof; avoid prolonged exposure to water.
- **Instructions for Avoiding Hazards:**
 - Use the case only for its intended purpose.
 - Ensure that all items stored within the case are secured properly to prevent movement during transport.
 - Do not exceed the weight limit of 1.20 kg (1.10 kg empty).
 - Use the provided handles and straps for safe transport; do not carry by the lid.
 - Always ensure the air pressure release valve is functioning properly before closing the case.

Instructions for Installation and Usage

- **Initial Setup:**
 - Remove the case from packaging and inspect for any damage.
 - Familiarize yourself with the locking latches and air pressure release valve.
- **Loading the Case:**
 - Open the case using the locking latches.
 - Place your equipment inside the case, ensuring that it fits securely within the PreCube Foam inlay.
 - Close the lid and engage the locking latches to secure the case.
- **Transporting the Case:**
 - Use the large front handle for traditional carrying or attach optional shoulder straps for handsfree transport.

- Ensure that the case is balanced when carrying to avoid strain.

- **Storage:**

- Store the case in a cool, dry place away from direct sunlight.
- Avoid stacking heavy objects on top of the case when storing.

Disposal Instructions

- Dispose of the case in accordance with local regulations.
- If the case is damaged beyond repair, ensure that it is recycled or disposed of in an environmentally friendly manner.
- Remove any internal components or accessories before disposal.

Contact Information for Further Support

For any safety inquiries or further support regarding the EXPLORER CASES 3005 D, please refer to your local authorized dealer or the manufacturer's website for assistance.

By following these safety instructions, you can ensure the safe use and longevity of your EXPLORER CASES 3005 D in Desert Sand. Thank you for your attention to safety.
