Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The 3005 series is optimized for the transportation by airplane.

Safety Instruction Guide for Explorer Cases 3005 Desert Sand

Introduction

Thank you for choosing the Explorer Cases 3005 Desert Sand. This guide provides essential safety instructions to ensure the safe use and maintenance of your weapon case. Please read this guide carefully before using the product to maximize your safety and the product's lifespan.

General Safety Guidelines

- Always inspect the case for damage before use. Do not use if damaged.
- Ensure that the case is securely closed and locked when transporting.
- Keep the case out of reach of children and vulnerable individuals.
- Use the case only for its intended purpose: to store and transport weapons safely.
- Do not exceed the weight limit of the case (1.10kg empty weight).
- Avoid exposure to extreme temperatures, which may affect the integrity of the materials.
- Regularly check the Oring gasket for wear and tear to maintain water resistance.

Specific Safety Precautions for Use

- When opening the case, ensure that it is placed on a stable surface to prevent accidental tipping.
- Use both hands when lifting the case to avoid strain or injury.
- If using shoulder straps, ensure they are securely attached and adjusted to your comfort.
- Be cautious when using the air pressure release valve; do not force it open if it is under pressure.
- Always label the case with your contact information for identification purposes.

Instructions for Installation and Usage

1. Initial Setup

- Remove the case from its packaging.
- Inspect the case for any signs of damage or missing components.
- Familiarize yourself with the locking latches and air pressure release valve.

2. Storing Weapons

- Open the case using the locking latches.
- Place your weapon inside the case, ensuring it is properly secured.
- Utilize the internal cutouts for optional internal brackets or mounting rings for added stability.
- Close the lid securely and engage the locking latches.

3. Transporting the Case

- Use the large front handle for traditional carrying or attach optional shoulder straps for handsfree transport.
- Ensure that the case is locked before transport.
- If traveling by airplane, check with your airline for specific regulations regarding weapon cases.

4. Maintenance

- Clean the exterior of the case with a damp cloth to remove dirt or debris.
- Regularly check and clean the Oring gasket to ensure water resistance.

- Store the case in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the case in accordance with local regulations for plastic waste.
- If the case is damaged beyond repair, consider recycling the polypropylene material if facilities are available.
- Do not dispose of the case in a manner that could harm the environment.

Contact Information for Further Support

For any inquiries or concerns regarding the use and safety of your Explorer Cases 3005 Desert Sand, please refer to the manufacturer's contact information provided in the product packaging or user manual.

By following these guidelines, you can ensure that you use your Explorer Cases 3005 Desert Sand safely and effectively. Thank you for your attention to these important safety instructions.
