Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The 3005 series is optimized for the transportation by airplane.

Safety Instruction Guide for the 3005 mil. green EXPLORER CASES

Introduction

Thank you for choosing the 3005 mil. green EXPLORER CASES. This guide provides essential safety instructions to ensure the safe use and handling of your weapon case. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the weapon case by following the guidelines provided. This product complies with the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about any recalls by checking official notices and follow any instructions provided for remedies.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra caution should be taken when the case is used around vulnerable groups, especially children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Keep updated on any safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always handle the case with care. Avoid dropping or subjecting it to strong impacts.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 1.20 kg when loaded. Ensure that the case is not overloaded to maintain its integrity.
- **Water Resistance:** While the case is waterresistant, do not submerge it in water. Ensure that the Oring gasket is intact and properly sealed.
- **Locking Mechanism:** Always make sure that the locking latches are securely fastened when transporting the case to prevent accidental opening.
- **Air Pressure Release:** Use the manual air pressure release valve before opening the case after transporting it by air to avoid pressurerelated injuries.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures to maintain its material integrity.

Instructions for Installation and Usage

- **Transporting the Case:**
 - Use the large front handle for traditional carrying.
 - Optional shoulder straps can be attached for handsfree transport. Ensure they are properly secured before use.
- **Storing Equipment:**
 - Utilize the internal cutouts for optional brackets or mounting rings to organize your equipment effectively.
 - Label your equipment using the waterproof removable label provided with the case for easy identification.

- **Opening and Closing the Case:**

- To open, ensure the locking latches are released.
- Use both hands to lift the lid gently.
- To close, align the lid properly and secure all locking latches.

Disposal Instructions

- **Environmental Considerations:** Dispose of the case in accordance with local regulations regarding plastic waste.
- **Recycling:** If possible, recycle the polypropylene material of the case by taking it to a designated recycling facility.

Contact Information for Further Support

For any further assistance or questions regarding the safety and usage of your EXPLORER CASES product, please refer to the official website or authorized dealers for support.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure the safe and effective use of your 3005 mil. green EXPLORER CASES.
