EXPLORER CASES Adjustable Shoulder Kit Safety Instructions

Introduction

Thank you for choosing the EXPLORER CASES Adjustable Shoulder Kit. This guide provides essential safety instructions to ensure the safe and effective use of your shoulder kit. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the shoulder strap is securely attached before use.
- Regularly inspect the strap, knots, and metal plates for signs of wear or damage.
- Do not exceed the maximum extension of 201 cm when adjusting the strap.
- Keep the product away from children and vulnerable individuals to prevent accidents.
- Report any unsafe product experiences to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury if the strap is not properly secured.
- Potential for the strap to break if it is overloaded or damaged.

- **Avoiding Hazards:**

- Always check the integrity of the strap and connections before each use.
- Do not use the strap for carrying loads that exceed its designed capacity.
- Avoid using the strap in environments where it may be exposed to sharp objects or extreme temperatures.

- **Age Specific Warnings:**

- This product is not suitable for children under 12 years of age without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Locate the threaded knots on your case.
- Attach the metal plates to the threaded knots securely.
- Ensure that both ends of the shoulder strap are firmly connected to the metal plates.

2. Usage:

- Adjust the strap to your desired length, ensuring it is between the minimum extension of 106 cm and the maximum extension of 201 cm.
- When wearing the strap, ensure it is comfortable and does not restrict movement.
- Do not use the strap for any purpose other than intended.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the materials wherever possible.
