

# Magazine Coupler for Magpul AK-47 PMAGs

[Magazines](#) > [Rifle Magazines](#) > [Magazine Couplers & Holders](#)

## Double up instead of limiting yourself!

Many shooters prefer to use a 30-round magazine, but are not allowed to use it due to various requirements or regulations.

The new magazine couplers from RJK Ventures now offer a practical alternative to the limited 30-round magazines.

So any two Magpul PMAGs can be connected with this coupler; Two 10-round magazines are very similar in handling to the usual 30-round magazines and make reloading much easier.

NO IMAGE  
AVAILABLE

The magazine couplers meet the high quality standard of Magpul PMAGs and are made of the same solid nylon. Assembly is quick and easy and connects the magazines reliably and without play.

### Fits:

MAGPUL® PMAG® AK/AKM MOE®  
7.62x39mm

US Patent No. 10126076

# RJK VENTURES Magazine Coupler Safety Instructions

## Introduction

Thank you for choosing the RJK VENTURES Magazine Coupler for Magpul AK47 PMAGs. This product is designed to enhance your shooting experience by allowing you to connect two magazines for easier reloading. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations regarding firearm accessories in your jurisdiction.
- Always handle firearms and ammunition safely and responsibly.
- Keep the magazine coupler out of reach of children and unauthorized users.
- Regularly inspect the magazine coupler for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and contact customer support.

## Specific Safety Precautions for Use

- Use the magazine coupler only with Magpul PMAGs specifically designed for the AK47 model.
- Do not exceed the recommended magazine capacity when using the coupler.
- Avoid using the coupler in wet or damp conditions to prevent slipping or loss of grip.
- Do not attempt to modify or alter the magazine coupler in any way.
- Always ensure that the coupler is securely attached before using the magazines.
- Be aware of your surroundings and ensure a clear area when reloading.

## Instructions for Installation and Usage

### 1. Assembly:

- Align the two Magpul PMAGs that you wish to connect.
- Slide the magazine coupler onto the magazines, ensuring a snug fit.
- Verify that the coupler is securely connected and that there is no play between the magazines.

### 2. Usage:

- Load both magazines with ammunition as per the manufacturer's guidelines.
- When ready to shoot, ensure that the firearm is pointed in a safe direction.
- To reload, simply detach the coupler by pressing the release mechanism and replace with another loaded magazine.

### 3. Maintenance:

- Clean the magazine coupler regularly with a soft cloth to remove dirt and debris.
- Store the coupler in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the magazine coupler in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling it if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the RJK VENTURES Magazine Coupler, please reach out to the customer support team through the provided contact methods in the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RJK VENTURES Magazine Coupler. Thank you for your attention to safety and responsible usage.
