

ESS Chassis System Kit Browning X-Bolt SA RH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Browning XBolt

Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Browning XBolt rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store the chassis system and rifle in a secure location, out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Use of incompatible components may compromise safety.
- Failure to secure the rifle properly may result in accidents.

- **Instructions for Avoiding Hazards:**

- Always ensure that the rifle is unloaded before performing any installation or maintenance.
- Use only compatible components specified by the manufacturer.
- Ensure that the magazine is correctly inserted and secured before handling the rifle.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Carefully read all instructions before beginning the installation.
- Ensure you have all necessary tools and components ready.
- Remove the existing stock from the Browning XBolt rifle.
- Align the MDT ESS Chassis System Kit with the rifle action and secure it using the provided screws.
- Adjust the buttstock and cheek rest to your desired position using the thumb wheels.

2. Usage:

- Ensure the rifle is unloaded before use.
- Familiarize yourself with the adjustable features of the chassis system.
- Always check the magazine well for proper fit and secure insertion of the magazine.
- Utilize the ambidextrous magazine latch for easy access.

3. PostUse Care:

- After use, clean the chassis system and inspect for any damage.
- Store the chassis system in a secure place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the chassis system in household waste.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the MDT ESS Chassis System Kit for your Browning XBolt rifle.
