

# ESS Chassis System Kit Browning X-Bolt SA RH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Browning XBolt Safety Instructions

## Introduction

Thank you for purchasing the MDT ESS Chassis System Kit for the Browning XBolt. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that all components are intact and free from damage before use.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Inspect the chassis system regularly for signs of wear or damage.
- Do not modify the product in any way that may compromise its safety or functionality.
- Always use the product in a safe environment, away from hazards and distractions.

## Specific Safety Precautions for Use

- Use only compatible magazines as specified for the MDT ESS Chassis System Kit.
- Ensure that the adjustable buttstock is securely locked in place before use.
- Adjust the cheek rest and buttpad according to your comfort and shooting style, ensuring they are properly secured.
- Avoid putting pressure on the magazine when in use to prevent malfunctions.
- Familiarize yourself with the ambidextrous magazine latch for safe and efficient operation.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System:

- Remove the existing stock from your Browning XBolt rifle.
- Align the MDT ESS chassis with the rifle action and ensure proper fit.
- Secure the chassis using the provided screws, following the manufacturer's torque specifications.
- Install the adjustable buttstock and ensure it is locked in place.
- Attach the AR pistol grip, ensuring it is compatible and securely fastened.

### 2. Adjusting the Buttstock and Cheek Rest:

- Use the thumb wheels to adjust the length of pull for the buttpad.
- Adjust the cheek rest height for optimal eye alignment with the scope.
- Ensure all adjustments are made securely before use.

### 3. Using the Magazine:

- Insert the magazine into the magazine well until it clicks into place.
- Check for secure fit before loading ammunition.
- Use the ambidextrous magazine latch to release the magazine safely.

### 4. Maintenance:

- Regularly clean the chassis system with a soft, dry cloth.

- Inspect all moving parts for wear and lubricate as necessary.
- Store the chassis system in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the MDT ESS Chassis System Kit in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact their customer support.

Remember to stay informed about any recalls or safety updates regarding your product through the EU's Safety Gate platform.

Thank you for prioritizing safety in your use of the MDT ESS Chassis System Kit. Enjoy your enhanced shooting experience!
