

ESS Chassis System Kit Browning X-Bolt SA RH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

Safety Instruction Guide for MDT ESS Chassis System Kit Browning XBolt

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Browning XBolt rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure that the MDT ESS Chassis System Kit is used in accordance with the instructions provided. Familiarize yourself with the product features to maximize safety.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices. Regularly check for updates on the EU's Safety Gate platform.
- **Online Shopping Safety:** If purchased online, ensure that the retailer complies with safety regulations. Verify the authenticity of the product and its safety certifications.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep firearms and firearm accessories out of reach of children.
- **EU Contact Point:** For any safety inquiries, consult with the designated EU contact point related to this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for timely updates regarding unsafe products.

Specific Safety Precautions for Use

- **Read the Manual:** Thoroughly read the instruction manual before using the product.
- **Proper Handling:** Always treat the rifle as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Installation:** Ensure that the chassis system is installed correctly to avoid any malfunctions.
- **Adjustments:** Make adjustments to the buttstock and cheek rest only when the rifle is unloaded and pointed in a safe direction.
- **Magazine Safety:** Always check that the magazine is properly seated and that the firearm is unloaded before handling.
- **Avoid Modifications:** Do not modify the chassis system or any parts of the rifle without consulting a qualified gunsmith.
- **Environmental Considerations:** Avoid using the product in wet or humid conditions to prevent corrosion.

Instructions for Installation and Usage

1. Installation of the Chassis System:

- Ensure the rifle is unloaded.
- Remove the existing stock from the Browning XBolt.
- Align the action of the rifle with the Vblock bedding system of the MDT ESS Chassis.
- Secure the action using the provided screws, ensuring a snug fit.

2. Adjusting the Buttstock:

- Use the thumb wheels to adjust the height of the cheek rest and the length of pull for the buttpad.
- Ensure that adjustments are made while the rifle is pointed in a safe direction.

3. Using the Magazine:

- Insert the magazine into the magazine well until it clicks into place.
- Test the magazine latch for proper function; it should be easily accessible with either hand.

4. **Final Checks Before Use:**

- Perform a function check to ensure that all adjustments are secure and that the rifle operates smoothly.
- Always verify that the rifle is unloaded before any handling or adjustments.

Disposal Instructions

- **EndofLife Disposal:** When the product reaches the end of its life, dispose of it in accordance with local regulations for aluminum and firearm accessories.
- **Recycling:** Consider recycling the aluminum components where facilities are available. Do not dispose of in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding safety, installation, or usage of the MDT ESS Chassis System Kit, please reach out to the appropriate support channels provided by the manufacturer.

By following these guidelines, you can ensure the safe and effective use of your MDT ESS Chassis System Kit for the Browning XBolt rifle. Thank you for your attention to safety!
