

ESS Chassis System Kit Browning X-Bolt SA RH FDE

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

Safety Instruction Guide for MDT ESS Chassis System Kit Browning XBolt

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Browning XBolt. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Regularly inspect the chassis system for any signs of wear or damage.
- Keep the chassis system and all accessories out of reach of children and unauthorized users.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure the rifle is unloaded before installation.
- Follow the installation instructions carefully to avoid improper assembly.

• Usage Precautions:

- Use only compatible magazines as specified in the product details.
- Adjust the buttstock and cheek rest to fit your personal comfort before use.
- Ensure the magazine is securely inserted before firing.

• Handling Precautions:

- Always treat the rifle as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Be aware of your surroundings and ensure a safe shooting environment.

• Maintenance Precautions:

- Clean the chassis system regularly to prevent buildup of dirt and debris.
- Check all adjustable components for secure fitting before use.

Instructions for Installation and Usage

1. Installation Instructions:

- Begin by ensuring that your Browning XBolt rifle is unloaded and safe.
- Remove the existing stock from the rifle by following the manufacturer's instructions.
- Align the MDT ESS Chassis System Kit with the rifle action and secure it using the provided screws.
- Ensure that the Vblock bedding system is properly seated to form a solid base.
- Attach the adjustable buttstock and AR pistol grip according to the assembly instructions.
- Adjust the buttstock length and cheek rest height using the thumb wheels for a comfortable fit.

2. Usage Instructions:

- Insert the magazine into the magazine well, ensuring it clicks into place securely.
- Adjust the buttpad and cheek rest as needed to achieve a proper shooting position.
- When ready to fire, ensure that all safety precautions are followed and that the area is clear.
- After use, remove the magazine and unload the rifle before storing.

Disposal Instructions

- Dispose of the chassis system and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit Browning XBolt, please refer to the manufacturer's website or contact your local retailer for assistance. Ensure that you have the product details handy for effective support.

By following these guidelines and instructions, you can ensure the safe and effective use of your MDT ESS Chassis System Kit. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
