

ESS Chassis System Kit Browning X-Bolt SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Browning XBolt

Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Browning XBolt rifle. This guide provides essential safety instructions to ensure safe usage, installation, and maintenance of your chassis system. Please read this guide thoroughly before use to understand the safety precautions and proper handling of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle and the chassis system before use.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Store the chassis system and rifle in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and accessories.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Specific Safety Precautions for Use

- **Product Compatibility:** Ensure that the MDT ESS Chassis System is compatible with your Browning XBolt model.
- **Magazine Use:** Purchase the appropriate magazine separately for your chassis system. Ensure that it is properly inserted before use.
- **Adjustments:** Make all adjustments (buttstock, cheek rest) while the rifle is not loaded and pointed in a safe direction.
- **Lateral Adjustment:** Be cautious when adjusting the lateral position of the buttstock and cheek rest to avoid pinching fingers.
- **Ambidextrous Magazine Latch:** Familiarize yourself with the magazine latch operation. Ensure it is functional before use.
- **Barricade Stop:** Use the barricade stop correctly to avoid unnecessary pressure on the magazine during shooting.
- **Grip Compatibility:** If using a beavertail grip, ensure minor trimming is done for a proper fit.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from your Browning XBolt rifle according to the manufacturer's instructions.
- Attach the MDT ESS Chassis System to the rifle action, ensuring a secure fit.
- Adjust the Vblock bedding system for a solid and reliable base.
- Install the magazine well and ensure it is refined for easy magazine insertion.
- If using an AR pistol grip, attach it securely, ensuring compatibility with the chassis system.

2. Usage:

- Before shooting, adjust the buttstock length of pull and cheek rest height using the thumb wheels.
- Ensure that the rifle is properly balanced and comfortable to hold.
- Always check the magazine for proper seating before firing.
- Maintain a clear line of sight and ensure the shooting area is free of obstructions.

Disposal Instructions

- Dispose of the MDT ESS Chassis System according to local regulations for electronic and metal waste.
- Do not dispose of the chassis system in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT ESS Chassis System Kit, please reach out to the designated EUbased contact point for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit for the Browning XBolt rifle. Always prioritize safety and responsible firearm handling.
